Von Andrew Grey : One Good Deed (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised One Good Deed (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super like alwaysVon CustomerOne good deed by Andrew Grey is wonderfull written. The Story from Luka and Peter is

sensible and it got you from the first page. Mr. Grey's books always worth the read.

Kurzbeschreibung Luka Krachec immigrates to the United States to find his cousin dead and his cousin's wife hospitalized after a terrible accident. He meets Peter Montgomery at the funeral. The American seems nice and captures Luka's attention when he offers to help him with his English. Peter has spent most of his life believing he shot his father at age six, and his family uses his regret and overwhelming guilt to keep him under their proverbial thumbs. Peter does his best to make up for what he did by helping others, and agreeing to help Luka with his English yields something amazing when they hit it off. When Peter opens up to Luka about what happened when he was a child, Luka senses some holes in the story and suspects Peter needs some help, so he approaches the head of the psychology department at the college where he works. Neither expects to open a long-barricaded door to secrets, denial, and family manipulation.
