**Von Cecelia Ahern : One Hundred Names** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Hundred Names:

Kurzbeschreibung The uplifting and thoughtful novel from the uniquely talented author. Everyone has a story to tell Kitty Logan has lost her way As a journalist, she's spent the past few years chasing the big scoops no matter the consequences. When she makes a terrible mistake, she finds herself mired in scandal, her career implodes and even her personal relationships are tested to the limit. At a loss, Kitty finds distraction in a list of one hundred names that her late mentor and boss, Constance, has left her. Kitty's been given one final chance, the most important assignment of her life to write the story behind the one hundred names as a tribute piece to Constance. As she tracks down the people on the list and tries to work out what connects them, Kitty meets some extraordinary people. Can these strangers' stories help her finally understand her own?
