shifter that is ready for companionship. He posts an ad on SassyDate website and gets a hit with Dahlia. Dahlia is very familiar with shifters; she was married to one, Arthur. Wedded bliss for years with a son named Marcus. Tragedy strikes and now Dahlia is a single mom to a very difficult tween. Living in NYC is not really working for Dahlia and Marcus. On a whim she takes Austin up on his offer to come for a visit. Little does she know she is going to get a lot more out of this visit than NYC could ever offer. Falling in love was never the deal, however Austin and Dahlia cannot fight the attraction they have. Will Marcus get over the loss of his dad? Can Dahlia help her son and have it all? Anya Nowlan does a great job with the longer story lines. I love the development of the characters. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **MUST READ-CAPTIVATING SIZZLING ROMANCE!** Von midniteink **ONE LAST PROWL**-Shifter Grove Brides-Book 6-An entertaining romantic story.
