She had now straightened out her life and had started her own research and grant writing business. In fact, she had just landed a huge account. Unknown to her though, they had designs to use Lanessa and her business for their own devious plans.Lanessa used to date handsome, Alexander St. Romain. Alex and Lanessa had both loved each other madly. However, Lanessa had lied and used him until he had walked out. Now that Lanessa was booze free, all she wanted was to tell him how sorry she was.

Alex had never gotten over Lanessa and, now that she was better, he wanted a second chance with her. It would take a lot to learn to trust her again. But he figured she was worth the shot.*** I could not put this book down! It is as addictive as opium and I was stuck to it like Super Glue! I cannot recommend this story highly enough. Lynn Emery has written an instant award winning novel of an ultra bad girl turned good! ***0 von 0 Kunden fanden die folgende Rezension hilfreich. DEFINITELY A KEEPER! Von Betty Holloway This is one which I'll re-read more than once. Ms. Emery handled the problem which confronted the heroine with finesse and compassion. The friendship between the three friends was great. The romance was well developed. I originally brought this book because of the two reviews I'd read online. But I'm going to save y'all a lot of money (I wish someone had done it for me). Just because Ms. Emery lucked up and gave us a good one with this - don't be like me and go out and buy her others; After All, Sweet Mystery, Night Magic, Tender Touch and A Time to Love. Don't buy any of her other books, unless you like mystery with minimal (null and void romance). 0 von 0 Kunden fanden die folgende Rezension hilfreich. Soooooo, It was Alex! Von missnikki7 Another great book by Ms Emery. Alex and Lanessa, who would have thought he would have tried yet again to gain Lanessa's heart totally. I guess Lanessa had to tackle some of her problems before she could totally give heart to Alex. I'd call Alex a very patient man, because he waited a very long time to have Lanessa in his life. I loved the whole story line. Ms Emery again shows us of a town with a social cast system that will get on anyone's nerves. And of course it was nice to have an update on Damon and Jade. Much love Ms Emery!
