Von Samantha James : One Moonlit Night before purchasing it in order to gage whether or not it would be worth

my time, and all praised One Moonlit Night:

Kurzbeschreibung New York Times bestselling author Samantha James has captured the hearts of readers everywhere with her dramatic love stories of fiery passion, intense emotion, and unforgettable sensuality. Now, Samantha has created a spellbinding romance between two people whose passion defies all logic--yet cannot be denied. The Vicar's Daughter Forced to leave her home in the vicarage, proud and resolute Olivia Sherwood has hired on at Ravenwood Hall, where preparation for the new earl's arrival is underway. At first glance, Olivia stands transfixed by the dashing gallant with eyes dark and gleaming in the moonlight. Though his origins are shadowed in secrets, and Olivia knows better than to trust a man she's never met, she is intoxicated by him. The Dark Earl Crossing the threshold of his new home, Dominic St. Bride, the Earl of Ravenwood, sees suspicion in the faces of everyone surrounding him--for his staff knows of his illegitimate birth and dubious background. Yet, the radiant face of a beautiful servant intrigues him. Although the familiar wariness flares in her eyes, Dominic senses a smoldering desire there as well, and he determines to claim her. But can his passionate soul win the unlikely devotion of a defiant maid--thereby redeeming him with her unconditional love? Gypsy curses and forbidden passion fill the air in Samantha James's tale of Olivia Sherwood--impoverished daughter of the local vicar, and her employer, Dominic St. Bride--the Earl of Ravenwood, bastard son of the old earl and his beautiful gypsy lover. St. Bride has lived on the fringes of respectability all his life and has grown accustomed to being greeted with hostility and suspicion, but his shadowy past fascinates and lures the innocent Olivia much against her will. Forced from her home after a rogue gypsy murders her father and causes her sister tragically to lose her eyesight, Olivia endeavors desperately just to provide a home for her sister and enough food on the table. When Dominic offers Olivia much-needed additional wages to act as his secretary, she finds herself sharing very close quarters with the man whose innate decency helps her forget the circumstances of her father's death and whose smoldering sensuality threatens to make Olivia forget herself. And Dominic, who has spent his life on the outside looking in, finds himself tempted to believe in the kind of love he thought nonexistent. He has Olivia to thank for this, with her impassioned defense of him to the citizens of Stonebridge and her fiery response to his caresses. Bestselling author Samantha James inspires empathy and intense emotion for these two souls desperately searching for something in which to believe. --Alison Trinkle.com Gypsy curses and forbidden passion fill the air in Samantha James's tale of Olivia Sherwood--impoverished daughter of the local vicar, and her employer, Dominic St. Bride--the Earl of Ravenwood, bastard son of the old earl and his beautiful gypsy lover.
