great Von Manuela Z. It is a... I can't put it down good book :) Love the characters makes you forget the world around you. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Super 1. Teil der neuen Reihe Von C. B. Gil Also mir waren beide Charaktere gleich total sympatisch, auch wenn man im 1. Teil noch nicht wirklich viel über Miller erfährt, aber der 1. tiefe Eindruck reichte mir, um von der Story gefangen genommen zu werden! Die This Man Reihe mochte ich auch, obwohl mir Miller bisher besser gefällt, mit Jesse bin ich nicht so richtig warm geworden... Werde mir auf alle Fälle die beiden anderen Bücher auch noch kaufen, der Cliffhanger am Ende des 1. Teils war fies...

Kurzbeschreibung You've read E L James, you've seen the Fifty Shades movie, you adored This Man...now meet the hottest new trilogy...Livy notices him the moment he walks into the coffee shop. He's heart-stoppingly stunning, with a blue-eyed gaze so piercing she's almost too distracted to take his order. When he walks out the door, she thinks she'll never see him again. Then she finds the note he left on his napkin . . . signed M. All he wants is one night to worship her. No feelings, no commitment - nothing but pleasure. Every defense mechanism Livy has adopted during her solitary life is at risk of being obliterated by this confounding man. He's obnoxious but well-mannered. He's a gentleman but aloof. He's passionate but emotionless. Yet the fascination is so powerful, Livy can't deny him...or herself. M awakens something in Livy, something deep and addicting that she never knew existed-and that she fears only he can satisfy. But she senses that behind the fast cars, fancy suits, and posh apartment, he's aching inside. To have him, body and soul, she'll have to brave his dark secrets. Delving into his world and breaking down his defenses becomes her obsession - an obsession that could shatter her heart beyond repair...**Pressestimme** sexy and emotional; intriguing and mysterious (TOTALLY BOOKED)**Werbetext** You've read E L James, you've seen the Fifty Shades movie, you adored This Man...now meet the hottest new trilogy...
