Kurzbeschreibung Eleanor Connor has written lots of steamy novels, but sadly her own life is more mundane. In fact, the nearest she's come to passion for ages is having to listen through the thin walls of her house as friend and neighbour Hugh seduces an endless stream of women. But then Eleanor has a one-night fling of her own, waking up alone, repentant, and as she later realises, pregnant. Desperate to find her missing lover, if only to tell him he's going to be a father, she enlists Hugh to help her search. But should she be looking closer to home to find out what it is she really needs?
