KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Konventioneller als der Titel versprichtVon NoCrimeDie Hinfhrung zum Date ist langatmig und will die sexuelle Eskapade rechtfertigen. Nach dieser den Phase nimmt die Story vor der Begegnung an Fahrt auf. Das eigentliche

erotische Erlebnis ist sehr einförmig beschrieben. Hier wird der Text zu überzeugen. Der Ausgang ist leider sehr klischeehaft und hätte eine sorgfältigere Ausarbeitung verdient.

Kurzbeschreibung
Let's go up to your room, he said as he clasped her hand in his. I seem to have lost my appetite, for food that is... Carrie seems to have it all; a fiancé who loves her and a rosy future. Until her best friend sees her fiancé with another woman. Carrie breaks off the engagement and tries to move on. And then she does something that she has never done before she has a one night stand. But will Carrie live to regret it? Contains spine tingling scenes of a sexual nature. Adults only! Quick read for a fun time ;)
