Sexy cowboyVon MagritteThis book is the second one in the Paint River Ranch Series by Elizabeth Otto.I haven't read the first one and didn't miss reading it in order to understand this one. Therefore I would say that it can be read as a standalone...I have ordered the first one however!The Story is about a woman struggling with life, with her dying mother, a difficult relationship with her mother, her non existen live /sex life and her professional failure.Then she

meets Tucker, a real man, a real Cowboy and he offers her a night to enjoy each other. But things don't go as they thought. I am no fan of cowboys, but boy! who can resist Tucker. Sexy, gentle, hot! And Sophie is perfect for him. I liked the characters, the rhythm and the story itself! I noticed after reading the book that it has only 157 pages, but I didn't mind and didn't notice. The story is simply very well balanced. Overall a very nice read. Enjoy it. MBTM

Kurzbeschreibung Jobless, broke, and struggling to support herself and her invalid mother, paramedic Sophie Miller doesn't have time or energy for a relationship. Especially with her mother's clock ticking down. So when the sexy cowboy she meets at a carnival proposes a no-strings, one-night stand, she's all over it. Until her one-night stand shows up again and turns out to be everything she's ever wanted. Tucker Haywood has his hands full running Paint River Ranch and trying to deal with all the changes pulling the rug out from under him. His past has taught him it's better to keep women at arm's length, for their sake. Stubborn and temperamental, Tucker doesn't have a clue how to deal with a city girl who's scared of squirrels and dirt. So when Sophie gets under his skin, he has to do whatever it takes to push her away. Even if it means losing the part of himself he never thought he'd find.
