Menschen Glück und Zufriedenheit zu bringen. In Castleberry Hall hat sie dazu den perfekten Arbeitgeber gefunden, denn die Familie Castleberry richtet seit Generationen Hochzeiten, Taufen und andere Feste aus. Jetzt ist das Jahr bald um, und Chloe bereitet sich auf ihre Rückkehr zum Olymp vor. Doch dann taucht Matt Castleberry auf, der früher ohne Grenzen in Afrika arbeitete und in Chloe zunächst eine Erbschleicherin vermutet, bevor er ihre anderen Qualitäten entdeckt. "One Night With A Goddess" ist eine nette witzige Geschichte, die man schnell an einem Nachmittag auslesen kann, die einem aber auch nicht länger in Erinnerung bleiben wird. Dazu sind die Charaktere zu stereotyp und die Handlung zu seicht. Besonders Matts Aggressionen gegen Chloe wirken berzogen, wie auch sein plötzlicher Sinneswandel. Chloe wirkt oberflächlich und unentschlossen, man kommt ihr nie wirklich nahe. - Eine interessante Variante im paranormalen Genre, mehr aber auch nicht.

Kurzbeschreibung Chloe, the Muse of Happiness, did not pass her hundred-year performance review with flying colors. But she's not worried about Zeus' punishment. Spend a year on earth making mortals happy, then retire to Mount Olympus in luxury? No problem. Isabelle Castleberry's wedding planning business is the perfect spot for Chloe's talents, and the year is certain to fly by. That is, until Miss Belle's nosy grandson comes back to town. Dr. Matthew Castleberry has spent almost two years at Doctors Without Borders and it's definitely left him with some trust issues. His grandmother's new assistant may be a whiz at planning weddings, and very easy on the eyes, but he's not about to let that fool him. There's something about Chloe that he can't quite put his finger on and Matt's determined to figure it out. Now, if he can just keep the rest of his hands off her in the meantime...
