routiniert - zu wenig Esprit Von so weal Der Fuchs ist tot! Die Royal Four haben eines ihrer Mitglieder verloren - in hohem Alter ist Lord Barrowby nach langer Krankheit verstorben. Und das ohne einen Proteg zu hinterlassen, der seinen Platz im illustren Club einnehmen kann, der Englands Geschicke bestimmt. Kein Wunder also, dass Marcus Dryden - der Zgling des Lwen - sich Chancen ausrechnet, endlich den begehrten Status zu erreichen. Doch die Mnner mssen sich auf eine berraschung gefasst machen - Aldus Barrowby hat einen Nachfolger. Und zwar seine junge Witwe Julia. Eine Frau als Fuchs? Unglaublich! Unmglich! Und so schlft Marcus in die Rolle des Verehrers der schnen Witwe um sie einer Prfung zu unterziehen. Einer Prfung an deren Ende nur ein mgliches Resultat stehen kann - Julia kann nicht als Fuchs geeignet sein. Gewohnt routiniert spinnt Celeste Bradley die Geschichte um die Royal Four und ihren Gegenspieler, die "Chimre" weiter. Und genau da liegt auch das Problem - das Buch und seine Figuren wirken ein wenig zu routiniert, ein wenig zu sehr nach einem Schema konstruiert. Das gewisse Etwas, das andere Bcher dieser Serie und auch der damit verbundenen "Liar's Club"-Serie haben fehlt hier leider. Alles in allem eine Fortsetzung, die es sich durchaus zu lesen lohnt, die aber fr eine Rereading eher nicht in Betracht kommt. Mrs Bradley, das knnen Sie besser!

Kurzbeschreibung For years, Lady Julia Barrowby has acted the part of an old man's ornamental bride, never revealing that she has secretly helped the ailing Lord Barrowby in his work with the Royal Four. Now that her husband has died, Julia believes his place in the Four is hers by right. But convincing the remaining members will not be easy, especially with Marcus Ramsay, Lord Dryden, distracting her at every turn. Somehow, the mysterious Marcus seems to see into her very soul, effortlessly satisfying all her secret, forbidden longings Marcus stood next in line to be chosen for the Four, and he is not willing to be displaced by a woman, no matter how intriguing or beautiful she may be. Under orders to investigate Julia, Marcus discovers her diary, overflowing with years of loneliness and yearning. Fulfilling Julia's fantasies is the perfect way to get closer to her, but seducing this fascinating creature is fast becoming more than a means to an end it is his soul's deepest desire From Booklist When the other three members of the Royal Four--England's most secretive and powerful group of spies--arrive at Lord Aldus Barrowby's estate to meet his successor, they were expecting a man. Instead, the Cobra, the Lion, and the Falcon discover that the recently deceased Fox had been training his lovely young wife, Julia, to take his place. Before they are willing to accept Julia into their circle, the remaining members of the original Royal Four commission Marcus Ramsay to find out more about the unusual young lady. As the Lion's protege, Marcus had spent years waiting for his chance to join the Royal Four, and now he isn't about to let a mere woman, even the "Beauty of Barrowby," steal this opportunity away from him. The latest superb entry in Bradley's series has everything her readers crave: wit, a deliciously sensual romance between a delightfully original pair of protagonists, and a captivating plot expertly laced with intrigue and danger.
