Von K.S. Smith : One Night With Him (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised One Night With Him (English Edition):

Ziemlich flache RomanzeVon BcherliebeDem Klappentext zufolge hatte ich Herzschmerz zweier verwundeter Seelen erwartet. Nun bin ich bei 40 Prozent und etwa dem zehnten Orgasmus angekommen und finde diese Story sehr flach und nichtssagend. Bereits jetzt haben sich die junge Anwltin Reagan (27) und der Hotelbesitzer Cole (29) ihre Liebe

zueinander gestanden. Das wre ja nicht so schlimm, wenn man wenigstens htte nachvollziehen knnen, woher ihre Liebe nun gekommen ist. Bisher hatten sie nur einen One Night Stand (sie im volltrunkenen Zustand), ein halbes Abendessen von dem sie geflchtet ist, und ein Wochenende bei einer Hochzeit als Gste. Nun frage ich mich, was jetzt wohl noch kommen soll, wo es nach 80 Seiten schon ein Happy End gab? Diese mittelmige Geschichte reizt mich irgendwie nicht.

Kurzbeschreibung Reagan Larson has been dealt her fair share of tragedy, but each time she has come out on top. Her heart is callused, but she still has hope. She may be the last one of her sorority sisters to still be single, but she knows Mr. Right is out there. Reagan is ready to move forward with her life when the time is right, or so she thinks, unfortunately when love is staring her straight in the face she keeps finding ways to hide from it. The last thing Cole Conrad is looking for is commitment. He is set in his bachelor ways and has no intentions of leaving them. Having any woman he desires at his fingertips is how he has always lived. Cole is used to playing by his rules, until he meets Reagan Larson, and for the first time -after what had to have been one of his most fulfilling evenings with a woman- he wakes up feeling alone and used. Smith is a twenty seven year old aspiring new contemporary romance author. When she is not writing you will most likely find her nose in a book, spending time with her family and friends or dedicating her time to the military through her favorite non-profit organization. K.S. Smith was born and raised in Tampa, FL and continues to build her life there in her new home with her boyfriend of ten years who will hopefully one day put all book boyfriends to shame with an out of this world proposal.
