 Awesome boring !
 Von CF
 Das Buch ist - wie es die anderen Rezensenten bereits schrieben - aus meiner Sicht leider nicht nur "awesome", sondern leider "awesome boring". Wir lernen zunchst Pike kennen, seines Zeichens Gruppenfhrer einer amerikanischen Sondereinheit auerhalb der CIA oder einer anderen Einheit, die auf der Welt in allen Ecken Terroristen ttet. In einem zweiten Teil, werden wir Zeuge eines Gesprches zwischen dem Prsidenten und dem Grnder dieser Einheit und erfahren, warum es sie gibt. Im dritten Teil werden die Frau und die Tochter von Pike Opfer eines Mordes, den Pike dazu zum Anlass nimmt, zunchst vllig von der Bildflche zu verschwinden. Danach kommt es zu einem vllig berraschenden Switch und wir sind im mittelamerikanischen Dschungel bei einer Expedition nach Schtzen der Maja und dann wieder bei der ehemaligen Einheit von Pike. So wild und durcheinander, wie ich es hier geschrieben habe, ist der Eindruck des Buches auch beim Lesen. Stndig wird man hin und her geschmissen zwischen den verschiedenen und zunchst auch vllig voneinander getrennten Handlungsstrngen. Man fragt sich die ganze Zeit, was haben die miteinander zu tun? Welcher innere Zusammenhang wird hier noch hergestellt? Und schnell erwischt man sich dabei, wie man Seiten berliest und das Interesse an dem Buch verliert. An die guten Bcher eines Vince Flynn, der mit Mitch Rapp ja eine hnliche Geschichte aufgezogen hat, kommt Brad Taylor nicht ansatzweise heran. Taylor ergheht sich in vielem Blabla, das ich zumindest fr die Geschichte nicht gewinnbringend fand und die "heldenhaften" Aktionen der Spezialeinheit - wofr sie da sind - verschwinden zunchst bei Taylor in der Geschichte..... schade. Ein guter Plot, den Vince Flynn zu einer grandiosen, schnell erzhlten und spannenden Geschichte gesponnen htte. Taylor gelingt das leider nicht.

 I must admit, I haven't fully read the book yet, I am like 50% into it but it surely rocks the boat !
 Brad Taylor is right up to par with Brad Thor, one of my fav thriller writers and maybe Andy McNab as well, though Nick Stone is another piece of character. Can't wait for the new book by Brad due out next week. Somehow it does remind me a bit of "No Remorse" by Tom Clancy which is a classic book too but Pike Logan is really a rough man :-)
 For all fans of the real deal, go and get it.

 WI am also halfway through the book. The story is interestingly woven, especially because of the different narrators. Pike is a character I'd like to see again (the latest novel is already ordered and on its way); the same goes for Jennifer. Kudos to the author for an enjoyable story.

Kurzbeschreibung
 The first Pike Logan novel from New York Times bestselling author Brad Taylor. They call it the Taskforce. Commissioned at the highest level of the U.S. government. Protected from the prying eyes of Congress and the media. Designed to operate outside the bounds of U.S. law. Trained to exist on the ragged edge of human capability. Pike Logan was the most successful operator on the Taskforce, his instincts and talents unrivaled until personal tragedy permanently altered his outlook on the world. Pike knows what the rest of the country might not want to admit: The real threat isn't from any nation, any government, any terrorist group. The real threat is one or two men, controlled by ideology, operating independently, in possession of a powerful weapon. Buried in a stack of intercepted chatter is evidence of two such men. The transcripts are scheduled for analysis in three months. The attack is mere days away. It is their bad luck that they're about to cross paths with Pike Logan. Because Pike Logan has nothing left to lose.
 From the Paperback edition.

 An auspicious, adrenaline-soaked rocket ship of a debut novel.
 John Lescroart, New York Times bestselling author
 A coiling plot, crisp writing, and constant braids of suspense make One Rough Man one exciting read.
 Steve Berry, New York Times bestselling author
 A fast and furious tale with a boots-on-the-ground realism
 Pike Logan is a tough, appealing hero.
 Joseph Finder, New York Times bestselling author
 Taylor's debut flows like the best of Vince Flynn and Brad Thor.
 Booklist
 The deadly duel between Pike and the terrorists is both cerebral and graphically violent... [Taylor] brings such incredible realism and authenticity that readers feel like they are looking over the shoulders of a real antiterrorist operation.
