KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A definite keeper!Von Ein KundeIn ONE SUMMER'S KNIGHT, Kathleen Creighton proves what an extraordinarily talented writer can do with a popular plot device. Summer Waskowitz, a single mother with two children, finds her life in danger when both the mob and the FBI think she can lead them to her gambling-addicted ex-husband. She hires the best lawyer she can find to help protect her rights, and her children, only to find herself suddenly in his protective custody when their trailer home is torched. Rich, cultured, controlled, Riley Grogan seems to the financially-strapped, emotionally-battered Summer like the prince in Cinderella. Except Summer realizes this is one fairy tale that can't have a happy ending: Riley clearly isn't comfortable around children, or the veterinarian's collection of eccentric -- and

vociferous! -- pets. What she doesn't fully understand is that Riley needs her healing magic, for a heart scarred and hardened by an unkind past. Creighton's strong, compelling voice -- her affinity for the South is so strong, you can feel the humidity as you read -- takes this far beyond a "typical" category romance read. The scenes with the children, and the pets, are not only "oh-yeah" realistic, but laugh-out-loud funny; her prose is rich and distinctive; and the emotional tension between the hero and heroine simply vibrates from the page. Wonderful characters, a wonderful read.

Kurzbeschreibung HOLDING OUT FOR A HERO Temporarily impoverished and lawsuit-plagued single mother Summer Waskowitz Robey knew, as she stood alone in court, how badly she was in need of a rescuer. But she never would have dreamed that said rescuer would come in the form of handsome, aristocratic man-about-town Riley Grogan, who also happened to be her opposing counsel! In veteran and child-resistant bachelor Riley was the last man Summer could have imagined would take her, and her kids, into his perfectly manicured home. The last man she could have imagined falling for, hard. The last man she could have supposed needed the love that she and her children had to give. But this time, maybe appearances were deceiving.
