KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It's okVon -KundeAfter reading One to Hold I was really looking forward what happens next with Derek and Mel. But I

have to say I was very disappointed. I couldn't find the strong woman who Mel seemed to be in the first book. Ok, she's pregnant but all she's doing is sleeping or crying while Derke's trying to get rid of her ex. What I definitely don't understand is what their problem is with moving in together. His partner already relocated, so I don't understand why he can't do that also. Especially if his girlfriend is pregnant. Or she can work from everywhere so why does she stay with him only on the weekends. I really loved the first book but I wanted more of the strong woman who turned her life around.
