Von Agatha Christie : One, Two, Buckle My Shoe (Poirot) (Hercule Poirot Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised One, Two, Buckle My Shoe (Poirot) (Hercule Poirot Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Unglaublich Von andre gue Ich bin ein begeisterter Christie Leser und habe fast alle ihre Bücher gelesen. Der grte Teil ist spannend, witzig geschrieben und sowohl der plot als auch die Charaktere berzeugend. Dieses jedoch ist

enttäuschend, unlogisch und die Geschichte an den Haaren herbeigezogen. Nur für Poirot die Sterne 5 von 5 Kunden fanden die folgende Rezension hilfreich. Classic Complete Von Ein Kunde This is a classic mystery, although not quite as shocking as some. The fact that the murderer put too many clues in the plot make the ending and denouement a twisty, spiraling set of events that may make you read it twice just to make sure you have it all. It's a wonder that something so simple (a dentist's apparent suicide) could actually have so many motives behind it. There is a word of warning here: if you tend to like dark, dangerous criminals with suspicious pasts, don't read this. You might find yourself feeling a sort of empathy with the criminal, and may be rooting for Poirot to let him off the hook. Well, if I haven't said too much already, I will soon. So, so long and farewell. Do read this, though, when you're ready to sit down and concentrate on trite and complicated details. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pleasant Von Duke Hercule Poirot is not bound to the armchair in this one! The story is twisted, and thoroughly enjoyable. Just when you think you have it, the tables are turned. As usual Poirot explains it for all to see at the end, but the facts are not as clear as in most of Christie's other books and this is evident in his having moments of self-doubt, which is a bit uncharacteristic and gives the whole affair a bit of an unusual flair. He actually guesses at one point, a tactic normally as foreign to H. Poirot as to Mr. Spock! The hint: remember the bloodstains on the carpet!

Kurzbeschreibung A dentist lies murdered at his Harley Street practice The dentist was found with a blackened hole below his right temple. A pistol lay on the floor near his outflung right hand. Later, one of his patients was found dead from a lethal dose of local anaesthetic. A clear case of murder and suicide. But why would a dentist commit a crime in the middle of a busy day of appointments? A shoe buckle holds the key to the mystery. Now in the words of the rhyme can Poirot pick up the sticks and lay them straight? Pressestimmen "The Empress of the crime novel" Daily Express 'A swift course of unflagging suspense leads to complete surprise.' New York Times Kurzbeschreibung A dentist lies murdered at his Harley Street practice The dentist was found with a blackened hole below his right temple. A pistol lay on the floor near his outflung right hand. Later, one of his patients was found dead from a lethal dose of local anaesthetic. A clear case of murder and suicide. But why would a dentist commit a crime in the middle of a busy day of appointments? A shoe buckle holds the key to the mystery.
