Suche nach dem Fund des Jahrhunderts. Die zwei lassen kein gutes Haar am anderen und versuchen die Anziehungskraft zwischen ihnen zu unterdrücken, aber mit Erfolg? Der Roman enthält witzige Wortwechsel, aber richtig mitgerissen wird man nicht! Von 3 Kunden fanden die folgende Rezension hilfreich. Kommt einfach nicht an die Vorgänger heran! Von Fuchs Joan Ein etwas einflüchtiges Buch mit einem gesuchten Beginn. Klar besteht die Verbindung zu den früheren Büchern, da Cassie eine von 3 Freundinnen ist, die am Schluss wieder vereint sind, und von denen die anderen beiden bereits in den ersten beiden Büchern vorgekommen sind, aber da hrt die Verbindung auch auf. Die Autorin geht zu ihren Wurzeln zurück, der Archäologie, was ja nicht schlecht wäre, aber es ist hier, trotz aller Kenntnis, einfach nicht glaubhaft. 3 Sterne weil es sich nicht schlecht liest, aber unvergesslich ist es auf keinen Fall.

Kurzbeschreibung ONE HEATED RIVALRY... Sexy renegade treasure hunter Cassie Ashton and hunky by-the-book paleontologist Alex Martinelli are sworn enemies. She thinks he's a snooty Ph.D. with a womanizing streak (and denies his dangerously rugged appeal). He thinks she's just in it for the money (and pretends he doesn't notice those legs). Their legendary sparring is the source of much gossip across the rocky canyons of Wyoming, where they compete for discoveries. Yet the chemistry between them is blistering. ONE DANGEROUS FIND... To their dismay, Cassie and Alex are forced to team up to protect Cassie's latest discovery -- a priceless ancient skeleton. For it quickly becomes clear that someone will stop at nothing to steal it. Thrown together in the face of danger, the two rivals try to fight their passionate, long-suppressed attraction. But sometimes, when you're on the run and falling in love, there's only... ...ONE WAY OUT Kurzbeschreibung ONE HEATED RIVALRY...
