It is fantastic. The main Hero Jesse is so wonderful you wish he could jump out of the book and become real. The heroine is full of life and energetic, but doesn't get "Stupid" with all the mess in her world. She sticks to her beliefs and despite herself falls for the man she was destined to be with. The medical side of the story was real and not too gory, Graham lets you really feel who the characters are and what they are made of thru the windows she creates of their lives. Found it so fulfilling that I recommend it to complete strangers I see everywhere. These stories now have me so hooked that I am reading her other stories now.1 von 1 Kunden fanden die folgende Rezension hilfreich. The Best Series !!!Von Ein KundeYou

have to love historical romances. It is one hot book! And the other 2 are just as good which I know is unusual in a series. But you must read *And One Wore Gray*, *And One Rode West*. The three books are about 2 brothers that are on the opposite sides of the war and the sister that was left to tend to the plantation. There is also 3 other books in a series that was written by Sandra Brown. *Texas! Lucky, Texas! Chase, and Texas! Sage*. Again 2 brothers and a sister. Great books. But don't start them unless you have lots of time. You won't want to put them down. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Best I've read in a LONG time! Von Ein Kunde This will definitely be a book you will want to keep and read over and over again. Two days after I finished it, I bought the next in the series, "*and One Wore Gray*" and started reading it! The passion and intense emotion between Jesse and Kiernan was unbelievable. Really made you want to have known them personally. I'm finding that I want to know what happened in their lives since the end of the book! Definitely leaves you with a good feeling! I would ABSOLUTELY recommend this book!

Kurzbeschreibung Heather Grahams seductive Civil War trilogy begins with an unlikely Yankee forced to choose between loyalty to the cause and the love of a Southern belle. The privileged daughter of a Virginia plantation owner, Kiernan Miller can't imagine that her idyllic life will ever change or her days in the company of her devastatingly handsome neighbor, Jesse Cameron, a boy who returns her desire, kiss by tempestuous kiss. Then Jesse commits the one sin that Kiernan can never forgive: He abandons his roots for the Union army. Though Kiernan marries another, a part of her will always love the rebel in blue. To follow his conscience, Jesse Cameron must sacrifice his heart. He deserts his hometown, turns against his own brother, and rides away from the woman he loves. But he vows that it will not be forever. Now, bringing the war to Kiernan's front door, Jesse has returned as the enemy, intent on winning back the widow with emerald eyes and sun-kissed hair, the beauty who has branded him a traitor. Includes a special message from the editor, as well as excerpts from these Loveswept titles: *Flirting with Disaster*, *Taking Shots*, and *Long Simmering Spring*.
