Von Genna Rulon : Only For You (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Only For You (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Only for you could be for all of us! Serious subject, hot man, fun dialogues!Von MagritteYesterday I had a day off and woke up at 5.30 AM! I hate that!So I decided to browse on , because maybe, well just maybe there could be a book that could

keep me company until I fell asleep again. Only for you is what I found! I started reading and finished it at 1 P.M. having forgotten that I still wanted to do plenty of other things but well... the world could wait! Only for you is the first book by Genna Rulon, a very talented young lady. It is the first in a series, the second being Pieces of you. They could be read as stand alones but I would regret not having read this one first. It does not end in a cliffhanger (thank you so much Genna) or at least not for the two main characters (read between the lines: you will want to buy the second part to know what happens to the secondary characters!) I enjoyed the plot and the characters. Everleigh and her best friend Samantha are attending Hensley University. When several girls from the university get brutally attacked they decide to attend a self-defense course. What they do not expect is the man who is their trainer: Hunter Charles (alias Temptation on legs). Ev and Hunter have sparks flying between them. Their rhetoric battles are amazing and fun. As every new attack becomes more violent than the previous one however, danger is part of the game. A lot of things keep Ev and Hunter to together. Therefore there is some romance lacking. I regretted that the few sex scenes were not hotter. Hunter is hot, fun, sexy, intelligent... where do you keep men like these hidden? The writing is good. It keeps you reading (or at least it did with me). There are plenty of things happening through the book, not all very logical but it did not disturb me really. I underscored plenty of sentences in the book; this is how nicely it is written. Would I recommend it? Yep, already did. Would I buy part two? Well, yep, already did ;) Enjoy the read MBTM0 von 0 Kunden fanden die folgende Rezension hilfreich. Hmm! Von Tea P Only For You dragged a little. I think it was superficial. The characters were not very well developed. Secondary characters were introduced for no reason. But Hunter was great. I think, I would have loved the book more, if he would have had his own POV at least sometimes. He was smart, good-looking and a martial arts pro. He also was caring and funny. Everleigh was shallow and unbelievable. Most of her actions were unreasonable and hard to comprehend. I couldn't really relate to the characters, especially the female lead. And I missed the romance. The story itself was flat. It really felt constructed and unrealistic. The crime going on an campus was not really thrilling. Some things just happened and there was no solution afterwards. While some parts were described to no end, others just fell short. For instance, if there are pages and pages about your car breaking down and you call somebody in the middle of the night, that guy calls the tow truck and picks you up in the middle of nowhere how can you just drive the car the next day? This doesn't make sense. I found a lot of things disturbing while reading this book and it was really a long read. This is actually a 2.5 stars for me, but I got it for free on , so I went for 3 stars in the end. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hilarious, laugh out loud and highly engaging! A fantastic debut by a promising author! Von Steffi 4.5 stars Only For You is my discovery of 2013. I happened upon it by accident, browsing books to find something to read. I never expected this and I will never underestimate Genna Rulon even for a second. Only For You is a gem, one of those rare finds, a special book that will give you one heck of a book hangover! The plot of Only For You is rather simple. Everleigh and Samantha are best friends and in their final semester of college. They participate in a self-defence seminar because more and more women have been getting attacked on campus. Every attack is more violent than the last and Ev and Sam decide to visit the self-defence seminar, led by Hunter Charles, which is sponsored by the school. Hunter and Ev have immediate chemistry, but Everleighs biting sarcasm leads to a small confrontation between the two. Their relationship is not off to a good start. When Ev sees Hunter again in one of her business classes, a rhetoric war starts between them. No one has ever been able to battle Ev with wit and cunning repartee, but Hunter is her equal! Ev and Hunters conversations, or rather rhetoric battles, as well as Sams quirkiness are what make this book! It is something I have never encountered before. Everleigh is such a unique character, as is Sam, Only For You lives on the foundation of its fantastically individual and complex characters. They give already phenomenal dialogues and inner monologues life and excitement. Because of Everleighs quick and complex thoughts, the book is fast-paced and action packed, even though the plot is simplistic. This creates tension and excitement, even though there might not be any physical action in a certain scene. Genna Rulon is the master of playing with language. Anyone who appreciates the art of writing, language, wit and sarcasm will love this book. This is not for someone who wants a mindless read. Only For You challenges its readers. It requires them to keep up with Ev and Sams crazy ideas and wacky conversations while trying to solve an underlying suspense plot. Admittedly, the suspense storyline is not hard to figure out, but this is not a detective novel. The consequences of the attacks and the character of a person, which is revealed in such extreme circumstances, are of greater importance. Hunter is not the most present character, but he challenges Everleigh and changes her way of thinking in certain cases. The romance is always a part of the story, nonetheless. Ev and Hunter become very close friends but their feelings cant be denied. I loved how Everleigh commented on the change in her and Hunters friendship. She realizes that no matter what happens to them, if she approaches Hunter with her feelings or not, their relationship has already changed because she developed those new emotions in the first place. This is something so inconsequential but profound at the same time and it really reflects Everleighs character. She is crazy and wacky at times, but also has a kind heart and gentle soul. She doesnt hide behind her sarcasm, she genuinely enjoys having the upper hand and she uses language and rhetoric to control a situation or just to enjoy herself. Most of the time, Everleighs comments simply provide entertainment for her and I was right there with her. I could go on and on, analysing every character and scene in this book. It would give me great pleasure but would also spoil the read for everyone but myself. Towards the end, the conversations, especially on Hunters end, became a bit stilted but I

understand Hunters need to perfectly express himself as he had to keep his emotions in check for such a long time. Without spoiling the book, Samantha goes through one of the most horrifying experiences of her life, and I can't wait to read her story in *Pieces Of You*, coming out in December of this year. *Only For You* has brought me laughter, tears and so much joy! I will never be able to listen to a Sarah Bareilles song without thinking of *Sweet As Hole* and Everleighs triumph. Genna Rulon has quickly become a favourite of mine. She captivated me with this fantastic debut! Favorite Quotes: "I thought I was happy before you, but you lit up my world. You challenged me, made me laugh, and aroused me beyond reason. Everything before you and without you was dim and monotonous. I may be able to live without you, but I don't want to, it would be bland and uninspiring. Existing, not thriving." "The world is not full of assholes. But, they are strategically placed so that you'll come across one every day.

Kurzbeschreibung In its purest form love is self-sacrificing, eternal, selfless, enduring, truthful, forgiving and indulgent. It also feels an awful lot like a kick to the stomach when you try to fight it! All Everleigh Carsen wanted to do was complete her final semester at Hensley University and begin the life she planned. When a wave of violent crime seizes campus, Everleigh is persuaded by her best friend to attend a school sponsored self-defense seminar, where she meets volunteer instructor, Hunter Charles. After Everleighs biting sarcasm induces Hunter to eject her from class, an explosive relationship is born. Everleigh is determined to forget the striking man, but fate that fickle shrew continuously intervenes. Unable to escape him, she casts Hunter as her prime adversary. The only complication Hunter is resolutely pursuing his vindication by any means necessary. Verbal warfare ensues, and despite Everleighs ingenious efforts, in Hunter, she has finally found her equal. *Only For You* is a compelling tale of friendship, desire, and redemption brimming with witty characters, intelligent dialogue, unexpected twists, profound sorrow, unfettered hope, and loves unassailable perseverance. *Only For You* is a blend of comedy, mystery, and romance, which offers laughter, suspense, tears, love and friendship. This story is appropriate for readers 18+ *Only For You* is the first book in the *For You* series by Genna Rulon. Each book in the series can be read as a stand alone novel. Quotes from *Only For You*: "When someone tells you something about themselves you don't want to hear believe them." "You're going to listen to me, and for once you're going to hear what I say and not read between lines that aren't there." "I was a fool, alone, preparing to do what every fool did at such times I was going to a bar to drink myself smart. He had a skull and crossbones label on him, but I drank his poison nevertheless and loved it; now I needed an antidote. If you don't remember your value, no one else will. Don't ever settle, Ev. You're far too precious a treasure to squander." "You'll continue to be a bitch no matter what, but I'm glad you aren't a callous, self-absorbed one." "I stepped off the merry-go-round for a reason. It made me dizzy and I kept ending up in the same spot. It may have been fun for a short ride, but was never headed anywhere." "Jose had loosened my tongue; curse him, the ninety proof bastard." "We played hot potato with my heart me throwing it to him, him tossing it back to me. Every time the music stopped, I was always the one holding my bruised organ." www.gennarulon.com ber den Autor und weitere Mitwirkende Genna Rulon is an up-and-coming contemporary romance author. During her 15 years in the corporate world, Genna, inspired by her love of reading, fantasized about penning her own stories. Encouraged by her favorite authors, many of whom are indie writers and self-published, she committed to pursue her aspirations of writing her own novels. Genna was raised on Long Island in New York, where she still resides, surrounded by the most amazing family and friends. Married to a wonderful man who patiently tolerates her ramblings about whichever book she is currently working on, even feigning interest relatively convincingly! Genna is blessed with two little boys who do their best to thwart mommy's writing time with their hilarious antics and charming extrapolations. You can find Genna online at: www.gennarulon.com Be sure to join the mailing list for updates about future books, as well as giveaways, and other fun facts.
