KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. NiceVon Susan Williams-GoebberThis was a really nice but way too short story. Is this her mothers true love story? I dont know. Nice idea of meeting the one true man at a party. Taking your kids to meet him with no idea if he is home or not not a good idea. Or not knowing how to get back home if hes not. But still nice. Love the happy end.
