KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ein sehr schnes BuchVon Lyn1868 Colorado Territory:Die junge Witwe Shannon lebt alleine in einer Htte in den Bergen der

Rocky Mountains. Als sie zur Erledigung ihrer Einkufe ins Tal muss, wird sie Ziel einer gemeinen verbalen Attacke der vier Culpepper Brder. Der Globetrotter Rafael "Whip" Moran, der sich zufällig vor Ort befindet, wird Zeuge der Attacke und kommt Shannon zur Hilfe. Fasziniert von der jungen Frau beschließt Whip, Shannon's Ehre und ihr Leben zu verteidigen. Aber nichts ist gefährlicher als die Leidenschaft, die Shannon in ihm auslöst - auch wenn dies seine Ungebundenheit und seinen Drang nach Freiheit bedroht. Das war mein erstes Buch von Elizabeth Lowell und ganz gewiss nicht mein letztes. Es war wundervoll zu lesen und ich konnte es nicht aus der Hand legen. 3 von 3 Kunden fanden die folgende Rezension hilfreich. It was the sweetest book I've ever read! Von Giana Summer Elizabeth Lowell is a great writer. I love how she seems to pull you into the story and into the characters' lives, pain, joy, and ecstasy. Whip is a wanderlust man who's always searching for something he can't name, something he calls "the sunrise he's never seen". The most exciting part of the book is waiting for Whip to finally realize his foolishness and accept his most desired "sunrise". Another thing why I like this novel is because unlike other stories, the hero actually has to put some effort into winning the heroine's heart first, while in the others, all the hero has to do is stand there and the heroine is swooned with his masculinity and maleness that she just falls to her knees in front of him. That's the sweet part in this novel, the best out of the "Only" series. I did enjoy the book but thought that the resolution was too quick and too easy. I understood that Shannon loved Whip and that he was honest about his plans from the beginning, but how much can a person really take. I would think his constant reminders that he wanted her and nothing more would have diminished the love. In any case, I did enjoy the book but I would have enjoyed a more fleshed-out resolution.

Kurzbeschreibung Cast adrift during the War Between the States, Shannon Conner grew to womanhood in a lonely cabin high in the Colorado Rockies. Though stubborn and courageous, Shannon is ill-prepared to deal with the predatory Culpepper brothers and the intoxicating ardour of the man who defends her honour, Rafael 'Whip' Moran. A loner and a wanderer, a man tied to no place or promise, Whip aids the wary young 'widow' who has a walk like honey and a determined grip on her shotgun. But neither the Culpeppers nor grizzlies are as dangerous to Whip as the passion Shannon offers him a passion that could cost Whip the freedom that is as much a part of him as his soul. Synopsis Reuniting with her great uncle two years after being orphaned, Alana Conner poses as a mail-order bride for the sake of appearances, an arrangement that works well until she falls in love with the rugged Rafe Moran.
