Mine - Susan Mallery
 Von Kris ReviewerSo, since this is a review for an English book, I guess I'll write it in English!
 This book was not unlike other books from Susan Mallery -- especially in the Fool's Gold series. I found it to be relatively predictable sometimes, but maybe that's just me. You might ask yourself why I am reading books from a series, where I find things to be predictable... and the simple answer to this question is, that I like her writing style, I like the Fool's Gold characters, and their ways. I also like to slip away from reality sometimes and just read a "Feel-good" story, even if I might be able to guess the ending. I will continue to read Susan Mallery's books. They're a nice getaway from everyday life, or stress, and it's fun to live through the characters for a while and be part of their live and love stories. Just like watching a feel-good movie, you know it's probably not going to have a bad ending, and you would be disappointed if it did...same with this, and the other books in the series. :-)
 (so, 4 stars for a little bit of predictability...but 5 for a good/fun read) :-)

 (Same as review for 'Only Mine' and 'Only Ours' - because I feel the same way!)

 Von Bienochio.. und von mir aus gerne noch mehr davon... :-)
 Hier kommt nun die Geschichte von Nevada.. der Dritten im Bunde der Drillinge.. nachdem ihre Schwestern die groe Liebe gefunden haben und eine Doppelhochzeit planen fhlt sie sich ein wenig auen vor.. und merkt, dass auch sie dieses groe Glck sucht...Sie nimmt einen neuen Job an und stellt fest, dass Ihr Boss ihre einstige groe Liebe ist.. der leider damals vllig besessen von Cat war und Nevada nicht wirklich wahrnahm..Nun treffen sie sich wieder und sie stellt fest, dass er dieselbe Wirkung hat wie damals.. aber nun ist er ihr Boss... was ein wenig komplizierter ist.. und sie hat auch keine Lust darauf, wieder das Herz gebrochen zu bekommen... und um dem Ganzen noch die Krone aufzusetzen, taucht dann aus dem Nichts die besagte Cat auf und bringt Nevada's Leben ziemlich durcheinander..Das Schöne an diesen Bchern ist, dass man lieb gewonnenen Figuren wieder begegnet und auch noch Neues erfährt.. dadurch fhlt man sich mittendrin... und fhlt sich zugehörig, als wrde man der Gemeinschaft von Fools Gold angehören.Ich liebe die Bcher von Susan Mallery!!!!!!!!!!!!!!!!!!!!!!!!!!!!
