So htte P P verlaufen knnen. Die Handlung und die Atmosphre sind bestimmt ganz nach dem Geschmack von Jane Austen. Es gibt nur ganz kleine Dinge, die ich nicht passend fand, aber nichts von Bedeutung. Darcy ist hier teilweise etwas weicher dargestellt als bei Jane Austen, aber es gibt ihm menschlichere Zge und Lizzy erscheint etwas lebhafter. Letztlich hat die sprbare Spannung zwischen Lizzy und Darcy durch Blicke, Gesprche oder kleine Berhrungen, die es

so vielleicht nicht bei Jane Austen gegeben hätte, mich zumindest mitgerissen. Fazit: Die Autorin hat sich deutlich Mühe gegeben, eine authentische Jane Austen Welt zu erschaffen, in der von Anfang bis Ende die Spannung aufrechterhalten wird. 6 von 7 Kunden fanden die folgende Rezension hilfreich. Unforgettable Love Story Von A Costumer I have read thousands of stories based on Pride and Prejudice in the last years and this one is my all time favorite - followed by "Darcy's Voyage". The protagonists are true to the original characters Elizabeth Bennet and Fitzwilliam Darcy. Unfortunately, the same cannot be said about many other stories belonging to this category. "Only Mr. Darcy Will Do" is a rare gem because it shows us the deep, true love between Elizabeth and Darcy - a love stronger than all obstacles put in their way to happily ever after. I was captivated from the first page - the lively, vivid dialogues, the well drawn-out characters, the humorous parts - everything drew me in. There are some slightly sad parts as Elizabeth finally realizes that she loves Darcy but is sure that nothing could ever come of it. We feel her uncertainty and pain, as well as her happiness when all ends well. I love how the author gives us so much insight into Lizzy's thoughts and feelings. Her Mr. Darcy is swoonworthy - a man whose every action gives us proof of the steadfastness and constancy of his deep feelings for Elizabeth. There is so much going on between our favorite characters. But, just like in the original, they keep their emotions hidden from each other and from other people as well. My only complaint about this book is that it's way too short! Kara Louise should write a sequel. I first read this amazing story when it had the title "Something Like Regret" and I'm so happy that Sourcebooks picked it up. The author really deserves it. Her writing is brilliant! Most of all, I loved the combination of melancholy and humor - Kara Louise found just the right balance between the two. It's not heavy, dramatic stuff, but it's not all fluffy either. This is a true romance. I'm sure Jane Austen would have given her sign of approval to this worthy adaptation of "Pride and Prejudice". It's the perfect choice for someone who wants to experience the wonderful romanticism of Austen's legendary "Pride and Prejudice" all over again. I can't recommend it enough.

Kurzbeschreibung Her worst fears come true... After her father's death, Elizabeth Bennet goes to work as a governess. Little does she know the Willstones are social acquaintances of the Bingleys and the Darcys, and Elizabeth finds herself once again drawn into Mr. Darcy's orbit. To make matters worse, Mrs. Willstone's sister sets her sights on Mr. Darcy. With Elizabeth's social status even lower than it was before, she knows she must abandon all hope of Darcy renewing his proposals, even as she begins to see him in a completely different light... What readers say: "An amazingly good story, beautifully plotted." "I loved this book... I've already read it twice!" "Another outstanding Kara Louise story! I read and own everything she has written, and I have never been disappointed."

Pressestimmen "Creative, engaging and reverent to Austen's characters, I cannot recommend "Only Mr. Darcy Will Do" enough. If you've never read anything by this author, then I highly suggest you jump on the bandwagon and read everything she's written." - Austenprose "Overall, Kara hit a home run with my control group and both mentioned to me the possibility of reading more work by her. I'd like to say that I'm responsible for creating two new Austenites, but the kudos go to Kara Louise and her deft wielding of the mighty pen." - Jane Austen Examiner "Kara Louise is very respectful of Austen's characters and the feel of the story as well as the interactions of the characters are believable while following naturally from the new story line. I was enchanted by characters I admire and enjoy reading about and by Louise's style, wit, humor, and story telling. If you enjoy Pride and Prejudice variations as much as the follow-ons, you really need to read "Only Mr. Darcy Will Do"" - A Curious Statistical Anomaly "Kara Louise's "Only Mr. Darcy Will Do" is stunning, eloquent, and just plain wonderful. It is one of the best Pride and Prejudice variations I've ever read! A keeper for sure!" - Love Romance Passion "Kara Louise is gifted in her writing of the Regency era, and her characterization of Lizzy and Darcy is spot on with Austen's original vision. "Only Mr. Darcy Will Do" is the ultimate romantic tale for those who simply cannot get enough of Lizzy and Darcy" - Austen Sequels "Austen fiction fans will love this. If you've not read any Austen fiction, this is a good place to begin. You don't have to know the characters to love them and delve right into the story." - Literary Litter " "Only Mr. Darcy Will Do" is an emotive, absorbing, and heartrending romance that Austen admirers should not miss!
