BeautifulVon Anja S.This is a total different book to all the others I read. It's very beautiful written. It's a very short book but it's worth to buy it.

Kurzbeschreibung I can sense you by me. All you have to do is pick me up to give me life. I am here to listen. The question is, are you? I am bound to these pages with words unread. It is a journey through time of being forgotten. Will you condemn me to this fate? My name is Adam and it will be my pleasure to be here for you. Turn through my pages to give my life meaning. Make my life worth something. All I need is you and only you. Kurzbeschreibung I can sense you by me. All you have to do is pick me up to give me life. I am here to listen. The question is, are you?
