Von Jani Kay : Open Your Eyes ~ Jani Kay (English Edition) before purchasing it in order to gage whether or not

it would be worth my time, and all praised Open Your Eyes ~ Jani Kay (English Edition):

KurzbeschreibungOPEN YOUR EYESUSA Today Bestselling Author - Jani Kay Adult Contemporary Romance Novel - Standalone.Warning: 18+ Contains sex scenes and explicit language.Finding Your Soulmate? Second chances? Hot steamy sex? Hell YES!Open Your Eyes:Shattered and disillusioned after separating from her domineering husband, all Natalie wants, is a peaceful Christmas vacation in New York City, with her 21 year old daughter, Olivia. Uncomplicated. No pressure. Fun.What she didnt expect, was meeting a dangerously handsome stranger in an art gallery. He is charming, sexy as hell, and does funny things to her insides. Her frozen heart slowly melts as he seduces her, awakening her deepest desires, showing her that the kind of love she craves is very possible. She wants him as much as he wants her.Battling his demons from the past, famous photographer Nicholas Gallagher has successfully evaded serious relationships, earning him the title of the worlds most eligible bachelor. But from the moment he lays eyes on Natalie, she stirs something in him. Compelled to chase the sadness from her vivid blue eyes, Nick is captivated by the spirited Australian beauty.Hot romance. Steamy sex. Absolute perfection. Until Natalie gets a call from home one she cant ignore. In a fateful moment the game changes and throws her life into chaos. Gabriel, her jealous ex, wants her back. Two powerful men want her. She is forced to make a choice that will tear her apart. Will Natalie make the right choice? Is it possible to love more than one person deeply? Will she finally find her soul mate, the one person who can look into her eyes and see deep into her soul, everything she is and everything she desires will she finally open her eyes? A Stand-alone Novel.KurzbeschreibungOPEN YOUR EYESUSA Today Bestselling Author - Jani Kay Adult Contemporary Romance Novel - Standalone.Warning: 18+ Contains sex scenes and explicit language.Finding Your Soulmate?
