KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very real relationship building, very real dynamics with family/ friends, hot too - a perfect book, different in a very good wayVon florkowI like LD books, a nice reliable author for me in her "real world" books (her sf/paranormal are uneven

for me). So, I expected a nice read, I got a great one. 1. No overblown drama, just very real relationship building, learning each other, making mistakes and fixing them step by step. 2. Both had very real dynamics with family/ friends, they had a life, work, worries outside each other that they dealt with, learning when to include the other, and when to step back, in an honest and caring way. I could relate to it all, it happens like this, in the world I live in (minus the motorcycles, hot cars, and ink). 3. hot too - I liked the heat building up a while, I liked that they really learned each other, no cookie cutter sex and mastery book, and that they found their own way by trying out and accepting each other's boundaries too. I found the book super hot also because it was always about these two, and unique twists on the standard sex tropes. I realized how interchangeable the sex scenes are, in many books, when I read them really "individualized" here. 4. her hunting him in a good way - rare that this works for me, here it did. 5. They talked! And cleared stuff as it arose. And just honestly tried. And did not wish to change the other, though they saw the differences clearly. She said clearly what bothered her, he listened. They agreed how to go on, that was that. Mistakes came and were solved. No reruns, no grudges. I utterly loved that and admired them both. Such wonderfully straight direct people, no games. And all this not too long, no endless blah blah, just enough, mixed with a lot of lovin, livin, heat. Excellent. These two could be in my friends group, I truly liked them both. 6. Nobody was super rich, super heroic, super famous - such a relief to read about "normal" people. In all, a perfect book, for a romance

Kurzbeschreibung The men of Twisted Steel are great with their hands. And they're not afraid to get dirty . . . Asa Barrons is never lonely for long. Co-owner of the Twisted Steel custom motorcycle shop, he works hard and plays harder. But he never allows his after-hours affairs to interfere with business-until he meets racing royalty PJ Coleman. While the blue-eyed blonde is all princess on the outside, on the inside Asa can see that this woman is ready to take a walk on the wild side. PJ knows trouble when she sees it, and Asa is the complete package: fast bike, killer ink, and a sinfully sexy smile that has her imagining things nice girls never do. She talks her way onto the Twisted Steel team to prove her painting skill, and soon learns that Asa is eager to show off some skills of his own. With the help of Asa's expert touch, PJ is initiated into a world of wicked desire. No limits. No inhibitions. No turning back. But as perfect as their passion seems, a new challenge awaits, forcing them to ask just how far they are willing to go . . . 'Sexy, smart and deeply romantic . . . no one does it better than Lauren Dane' - Sylvia Day **Pressestimmen** **TOP PICK!** "For erotica fans who flock to books featuring cars, motorcycles, tattoos and piercings: Welcome to Nirvana!
