Von Mark Russinovich : Operation Desolation: A Short Story (Jeff Aiken Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Operation Desolation: A Short Story (Jeff Aiken Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Russinovich (and Jeff Aiken) as we used to know 'emVon -jk-Gute Idee, nur mit sehr wenig Seiten. Gehrt zeitlich / logisch zwischen die ersten beiden Bnde, quasi als Intermezzo.Ansonsten - wer Zero Day mag, wird auch dieses lieben.Enttuschung in der Kindle Edition: bei 72% ists zuende, der Rest ist Leseprobe fr den "echten" zweiten Band Trojan Horse.

KurzbeschreibungA thought-provoking new short story from the acclaimed author of Zero Day and Trojan Horse. Challenging Anonymous is like waving a red flag in front of a bull. But the CEO of a major investment firm has done just that, and now cyber security expert Jeff Aiken has to try to protect the company from its leader's mistakes. The timing couldn't be worse, as Jeff is scheduled to appear at a conference that has invited an Anonymous representative as well. And Jeff's about to discover that the hacker outfit plans to bring their fight offline--and into the real world.
