Von Arnaldur Indridason : Operation Napoleon (Reykjavik Murder Mysteries) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Operation Napoleon (Reykjavik Murder Mysteries):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Abtauchen in Schnee und Spannung Von Fleisch Viel Schnee, viel Spannung. Wer sich mal einen Abend/Wochenende so richtig abschalten will: Dicke Socken anziehen, auf das Sofa legen, gegend Schokolade oder was Ihr sonst so beim Schm kern esst... und dann abtauchen in diesen herrlichen Thriller. Vom Inhalt verrate ich nichts, ist auch schlecht

mglich, weil zum Teil verwickelt, aber keineswegs unverständlich. Man kann immer folgen. Das Buch aber definitiv nicht beiseite legen. Stilistisch nicht schlecht, auf jeden Fall flüssig zu lesen. Fakt ist natürlich, da man hier nicht von Literatur reden kann. Aber wenn man z.B. seinen Tolstoi oder seinen Bakkers fertig hat, ist es ja auch mal ganz nett, leichte Kost zu sich zu nehmen und sich einfach nur gut zu unterhalten. Immerhin ist das Buch bei mir als sehr positiv hngengeblieben. Ich wrde es auch verschenken. Fazit: Keine echte Literatur, aber sehr nette Unterhaltung mit Non-Stop-Spannung.

Kurzbeschreibung 1945: a lost German bomber crashes on the Vatnajkull glacier in Iceland. Inexplicably, in the midst of World War Two, there are both German and American officers on board. One of the senior German officers sets off, a briefcase handcuffed to his wrist, never to be seen again. 1999, the US Army is secretly trying to remove an aeroplane from the Vatnajkull glacier. Two young Icelanders become involved but end up paying with their lives. Before they are captured, one of the two contacts his sister, Kristin. Her quest to discover his fate takes her on a long and hazardous journey in search of the key to the riddle about Operation Napoleon. WINNER OF THE CRIME WRITERS' ASSOCIATION GOLD DAGGER. Pressestimmen Gripping. . . . As political thrillers go, Operation Napoleon its frozen secrets, ruthless killers, hapless victims and reluctant heroesis about the best you can get. Telegraph-Journal Indriason, one of the new breed of bestselling Scandinavian crime writers, has written another gripping thriller set in his native Iceland. The Peterborough Examiner Slick . . . and with enough chases to keep the reader turning the pages. The Independent An international literary phenomenon and its easy to see why. His novels are gripping, authentic, haunting and lyrical. Harlan Coben, author of Tell No One From the Hardcover edition. Pressestimmen Outstanding Praise for Arnaldur Indridason As thrillers go, Operation Napoleon is about the best you can get. --Telegraph-Journal (UK) Arnaldur Indridason is already an international literary phenom---and it's easy to see why. His novels are gripping, authentic, haunting and lyrical. I can't wait for the next. ---Harlan Coben A commanding new voice . . . puts Iceland on the map as a major destination for enthusiasts of Nordic crime fiction. --Marilyn Stasio, The New York Times Book , on Silence of the Grave Indridason keeps readers guessing until the very last pages. --Washington Post Book World on The Draining Lake Indridason fills the void that remains after you've read Stieg Larsson's novels. --USA Today Every one of these writers is good [Hakan Nesser, Kjell Eriksson, Ake Edwardson, Helene Tursten, Karin Fossum], but in my book, Arnaldur Indridason is even better. --Joe Queenen, Los Angeles Times "The market and appetite for [Steig Larsson's books] seems to be unappeasable, as does the demand for the stories of Arnaldur Indridason." ---Christopher Hitchens, Vanity Fair "Mesmerizing... [An] enthralling narrative." --The Wall Street Journal on Voices
