**Von Barbara Ebel MD : Operation Neurosurgeon (A Dr. Danny Tilson Novel Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Operation Neurosurgeon (A Dr. Danny Tilson Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The price of infidelity.Von mountainmamaDanny has everything - the perfect life. He's smart, handsome, has the perfect career, perfect family, perfect home. Until tragedy strikes. As his perfect life begins to crumble he succumbs to the romantic overtures of one of his operating nurses. The complete and total destruction of his career and family soon follow. He finally realizes what he has lost, but is it too late to make amends?Barbara Ebel has done a great job of creating a very engaging read with well-developed and believable characters. Her medical knowledge brings an

authentic air to the settings, and adds to the medical dramas within the story. Witty and intelligent, this book puts a slightly different spin on infidelity, and features a loveable dog to boot! What more could you ask? Great job, Doctor!
