Von Nina Croft : Operation Saving Daniel (Melville Sisters) before purchasing it in order to gage whether or not it would be worth my time, and all praised Operation Saving Daniel (Melville Sisters):

the book and while I thought at the beginning it is more of a fun book, then it became very dark and at the end it was more of a Paranormal romance than before I am not sure I really liked Daniel and I don't know why exactly. he could have been the perfect alpha male hero but something was missing. Lissa was interesting. I adored Julia and Lissa's brother - and maybe there will be another book here. all in all it was a good read with a good but very straight story. I was given an advanced copy in exchange for an honest review

Kurzbeschreibung At eighteen, Melissa seduced her best friend Julia's brother only to run away shortly after. While Daniel was her fairytale prince, Lissa didn't believe in happy ever afters. Ten years and a near death experience later, Lissa is ready for a husband and family. But a cry for help from Julia puts that dream on hold. Daniel is acting weird and he's about to marry his long term girlfriend AKA The Evil One. Someone needs to save him. Daniel has never stopped loving Lissa. Ten years ago when he gave her a little freedom, he always intended that one day they would be together. Right up until the moment he was bitten by a werewolf. Now, Daniel has to hide what he is. He won't risk anyone else, especially the woman he loves. But Lissa is back. Their attraction is stronger than ever and Lissa is nothing if not tenacious.
