Von Diane Chamberlain : The Courage Tree before purchasing it in order to gage whether or not it would be worth my time, and all praised The Courage Tree:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A real surpriseVon Gerstbauer ElizabethThat was one of my first books from Diane Chamberlain and it's exactly the style I like. It took a little time to get used to it and to find it more and more interesting. I'm sure I'm reading more books from

this author.3 von 3 Kunden fanden die folgende Rezension hilfreich. Very readableVon KrankyKatIn this very readable novel, two mothers are trying to save their daughters. Very sick little Sophie doesn't return from Brownie camp one Sunday in June. Her mother Janine, divorced from the dad, will not give up the search. She trusts her daughter is alive, and knows that she needs her mother's help. Everything is more urgent because Sophie has renal disease and is in desperate need of dialysis. Another mother is trying to help her daughter in the very parts of the West Virginia woods in which Janine is searching for Sophie.Draws you in. Good observations, credible characters, good writing.A little too constructed in parts, just a little much of the cult of true motherhood, but very enjoyable. Couldn't put the book down.4.52 von 2 Kunden fanden die folgende Rezension hilfreich. Buchbewertung und erneute AnfrageVon Egger RosemarieIch war von dem Buch begeistert.Fr mich sind alle Bcher von Diana Chamberlain ein Garant fr Spannung und Feingefhl.Ich wollte noch anfragen ,ob beim Kauf von Kindle 49.- meine Bcher vom bereits gekauften Kindle Paperwhiteautomatisch zustzlich dort heruntergeladen wrden. Im Urlaub wrde ich dann den "Kindlle 49.-mitnehmen,da dieser leichter ist.Vielen Dank noch einmal.

KurzbeschreibungCan a mother ever give up hope?Janine wants her child to live a normal life full of adventure, so she lets her precious daughter go on her first overnight camping trip.When Sophie disappears, Janine is immediately facing a countdown she has no control over. Because Sophie isnt like every other girlshe suffersfrom a rare disease. Every day her daughter is missing is one day closer to her death.A race against time.A race to save her little girls life.Praise for Diane Chamberlain A marvellously gifted author. Every book she writes is a gem - Literary TimesEssential reading for Jodi Picoult fans - Daily MailSo full of unexpected twists you'll find yourself wanting to finish it in one sitting. Fans of Jodi Picoult's style will love how Diane Chamberlain writes. - Candis.deIf you start your novel with a terminally ill child and a last-chance herbal remedy, chances are you've got a story. If you have the terminally ill child survive a car accident and become lost in the remote West Virginia woods you've got some stressful reading. If, for kicks, you put a psychopathic murderer in the woods, you've got Diane Chamberlain's nail-biting drama The Courage Tree. Sophie Donohue is the wise-beyond-her-years child. Janine is the mother wolf who courageously admits her child into the clinical trial of a new medicine against the advice of her ex-husband, Joe, and her cynical parents. Lucas Trowell is the literally tree-hugging love interest who supports Janine. Chamberlain knows how to place her characters in internal and external conflicts, and there are rich subplots for each character, though the abundance and timing of them can detract from the central drama. Even with its faults, The Courage Tree will lure you in and keep you reading late into the night.--Nancy R.E. O'Brien.comIf you start your novel with a terminally ill child and a last-chance herbal remedy, chances are you've got a story.
