Liv Brywood  
Reviewer: Stephanie Jordan #Paranormal. #BearShifterReading Shifters Love Stories at Christmas always gets me in the spirit, add a little Christmas Music in the factor and oh yes I'm jolly. It seems that Ms. Brywood has the handle on Christmas down pat at the Curvy Bear Ranch with the Grant Boy's in West Yellowstone. In Book 1 we read about Brady Grant, than Book 2 was Mack Grant, In Book 3 was all about Logan Grant. But now in Book 4 were reading about Hank Grant. This series is absolutely phenomenal the family ties, helping others in need, the love of a family who sticks together to make it work. Carol was left at the orphanage when she was a couple months old with the clothes on her back and a post card from West Yellowstone. She had pushed it aside in her mind, they didn't want her why should she care. When an incident happened she knew without a doubt she needed to try to find her birth mother. Hank Grant took one look at Carol he knew he wanted her, his bear wanted her too. She was a guest at the Bed and Breakfast that the Grant's ran so Hank knew he should play with the guests. This is a great book and an even better series. You just have to read it and see. I was gifted this ARC for an honest and truthful review. School of Hardknocks Von Birgit Wahl The heroine was left in an New York orphanage as a baby, she went through the School of Hardknocks this includes that she got mugged in the Park after she took a shortcut on the way home but oh boy the mugger got a surprise and the heroine too So after finding a terrific secret about herself she goes looking for the person who abandoned her as a baby, her mom. She lands at the door of the BB and meets Hank normally by now the story would hurry to the HEA cause boy meets girl and boom but not here After searching and all traces were cold, a visitor in a bar sees her can says she might be the daughter of a woman he knows now they went searching for this woman and encounter trouble, lots of trouble in form of an ex-con, a druggie mom but dealing with hard decisions is what the heroine learned and xmas and the HEA is approaching. I loved this book it is the 4th installment in the Curvy Bear Ranch shifter series

Kurzbeschreibung After being abandoned at an orphanage as a child, Carol has spent her entire life pushing people away. If her own mother couldn't love her, then how could anyone else? But one snowy night in Central Park changes everything. When she learns a terrifying secret about herself, she wants to hide but she can't. In search of the truth about her heritage, she travels to the Curvy Bear Ranch in West Yellowstone. She's on a mission to reclaim her soul, and can't let anything get in her way especially not the hot, panty-melting cowboy who keeps offering to help. When cowboy bear shifter, Hank Grant, meets a sexy, curvy woman at his family's bed and breakfast, he's instantly attracted. Although she doesn't want his assistance, he can't stop his bear's insatiable desire. Against his better judgement, he helps Carol on her quest. But after one dangerous encounter, he realizes that she's his fated mate and he'll do whatever it takes to protect her even if it means keeping her in his bed. He intends to use every sensual skill in his arsenal to convince her that they belong together. He might end up on her naughty list, but it's a chance he's willing to take. This is the fourth book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with NO CLIFFHANGERS. Love scenes are fully realized and at times include explicit language.
