and another Grant brother got trouble brewing Kate had a crush on Logan Grant during school and like boys are he was a major jerk She left town after she finished school for college and never came back until her Dad died There she is and has not only to deal with Logan but also with memories about her youth, a slimy land developer and finally she finds out that her Dad had what Doc's now call PTSD after he was in Nam and this why they had so much trouble cause the Dad was an alcoholic and was abusing wife and daughter. This is a good mix for this book and there are surprises under this christmas tree you want to read for your self.

Kurzbeschreibung For years, Kate Wrangler refused to return to her family's ranch in the small town of West Yellowstone. But after receiving a call that her good-for-nothing father finally dropped dead, she's obligated to sell the decrepit property. As if things couldn't get any worse, Logan Grant, the sexy heart-breaker who ruined her life, is hanging around the barn when she arrives. She's only planning on staying long enough to sell the ranch. He can try all he wants, but Kate's never going to fall for his heated glances and sultry kisses. Cowboy bear shifter Logan Grant takes one look at Kate's curvy figure and makes it his mission to help her repair the ranch and the bond between them. She still hates him, but that's not going to stop him from claiming her as his mate. When he finds out she hasn't shifted in over a decade, his bear decides to show her what it means to be feral. He only has one week to steal her heart, but with the magic of Christmas on his side, he's ready to do whatever it takes to claim his fated mate. This is the third book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with NO CLIFFHANGERS. Love scenes are fully realized and at times include explicit language. Kurzbeschreibung For years, Kate Wrangler refused to return to her family's ranch in the small town of West Yellowstone.
