2Author: Liv BrywoodReviewer: Stephanie Jordan~~~~~I really love this Curvy Bear Ranch Series. Bet it will be all the Grant Boy's, one for each book Woo-hoo. First there was Brady, Rachel and Jimmy, now the second book we got the oldest. This book is as good as the first book, each page I turned I had to keep turning. Mack Grant is a Grizzly Bear in a town in West Yellowstone ran a ranch with his brothers called the Curvy Bear Ranch. Having a BB that they opened for Christmas Holidays was a source of income for the brothers. But there Cook/Manager had to leave for a family emergency. They were booked full. Now what? Madison Collins aka; Maddie had to get out of Seattle. NOW! She was supposed to take off on her wedding day, but that was cancelled. I mean how could she marry Ben after she walked in on him and her best friend, her maid of honor together in bed. Yep the wedding is off. Getting away was for the best and drowning her sorrows in this bar was good, after all her interview tomorrow should go without a hitch. Then this tall cowboy walks into the bar she can't take her eyes off him than he sits next to her he smells so good, he orders himself and her a drink. Maddie's juices were flowing. Yep this night was improving. She tells Mack "Come on Cowboy let go someplace private". I was gifted this ARC for an honest and truthful review. Rich girl, hot bear and a jerk Von Birgit Wahl This is a story about Madison, a bride finding her fiance in bed with her maid of honor a few days before the wedding. Madison is on the run and runs stright into the arms of Mack one of the Grant brothers, co-owner of a Ranch and BB, After a one night stand they have an eye to eye cause Madison applied to a job. Then the complications are starting cause she finds out not only Mack has a secret but she has one too which brings the jerk aka ex-fiance into the picture again but Mack wouldn't be a bear if he couldn't deal with it I loved it and no I'm didn't got review arc's and yes my review is honest

Kurzbeschreibung Jilted bride Madison Collins needs a peaceful place to hide out from a disastrous pre-wedding scandal. After a drunken night in the arms of a sexy cowboy, she's hungover and unprepared for a job interview at the Curvy Bear Ranch. The moment she arrives at the remote Montana ranch, she knows she's in a heap of trouble. Its rugged owner, Mack Grant, is the cowboy who'd turned her into a quivering, moaning wild-woman the previous night. Mack knows it's forbidden to go near the new hire, but he can't stop thinking about her curvaceous body and the way she melted in his arms. When she nearly burns down the BB, his attraction to her is the only thing that keeps him from firing her. But when her ex-fiance shows up intent on hurting her, Mack can't contain his bear. With his thousand pound secret out in the open, will Madison be able to see past all that fur and into his heart? With the magic of Christmas on his side, Mack will do whatever it takes to claim his fated mate. This is the second book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with no cliffhangers. Love scenes are fully realized and at times include explicit language.
