A sizzling, fast paced Texas-style romance.Von Ein KundeAlthough the title is corny, the cowboy and virgin in this story are fresh and unique. I enjoyed reading their story, and found their gradual character development believable. An enjoyable quick read.

Kurzbeschreibung VIRGIN TERRITORY All innocent Caitlin Delany wanted was to spread her wings away from home and begin life fresh. But from the moment she laid eyes on sexy, swaggering rancer Zach Haller, she lost her heart. She knew she had no business falling for a man who'd sworn off commitment, yet he was the man she wanted to change her status as the last virgin in Texas. Zach's cowboy code of honor put young, inexperienced women strictly off-limits. But Caitlin's provocative innocence brought the confirmed bachelor to his knees. In fact, resisting her virginal charms - and the temptation to wed her and bed her - was proving impossible .
