Von Kathleen Creighton : The Cowboy's Hidden Agenda (Into the Heartland) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cowboy's Hidden Agenda (Into the Heartland):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Cowboy's Hidden AgendaVon Betsy LordFor years I have not read many of the Silhouette Intimate Moments books because I thought they were "fluffy type love stories" not something you could sink your teeth in an really get carried away with the story. I absolutely loved this book. It has strong sensual characters. Johnny is a renegade "Apache" cowboy and Laurie is a lawyer from a very well to do political Texas family. Johnny is working undercover for the goverment in the Son's of Liberty a militant organization who kidnaps Laurie because her father is about to be nominated for President of the United States. As the story progress Laurie notices that Johnny is not at all what he seems. Both have a problems in their pasts that are family oriented and they slowing become aware of each other and

begin to open their hearts and learn to trust and love one another. Ms. Creighton has written an exciting and romantic story - could not put it down until I finished it. Great book - Enjoy

KurzbeschreibungCAPTOROR LOVER?One minute they'd been dancingthe next Laurie Brown found herself abducted, with a charming renegade, Apache cowboy Johnny Bronco, as her jailer. She was angry at his deception, but more furious with her own body for wanting the man with the fierce eyes and the skin-shivering voice. For wanting the man who held a politician's daughter captive in the name of blackmailThough logic said otherwise, the mysterious cowboy's kindness and sympathy hinted at a hidden agenda. And even more inexplicable was the feeling that, if she could trust him, everything might turn out all right.KurzbeschreibungCAPTOROR LOVER?One minute they'd been dancingthe next Laurie Brown found herself abducted, with a charming renegade, Apache cowboy Johnny Bronco, as her jailer.
