When her father becomes ill, Grant and Caitlyn grant him his "dying wish" and get married. They agree to keep it platonic, but can they keep it that way? Will they strike oil? Read it and find out.

KurzbeschreibungWhen her beloved father fell ill, Caitlyn Flynn agreed to be the 'bonus' he'd promised his hardworking right-hand man. But the ruggedly Western Grant Davis was a far cry from the preppy schoolboys Caitlyn had known. For this broad-shouldered hunk was a real man--and she was now his wife! Grant was sure a Wyoming oil rig was no place for a debutante. Nor was his bed any place for the fresh-faced, pure Caitlyn. Grant figured just one kiss on his blue-blood bride's prim lips would set her straight--only, he didn't stop to think that his 'bonus' of a wife would spin his own blood hot!
