Von Cara Colter : The Cowboy, The Baby and the Bride-To-Be before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cowboy, The Baby and the Bride-To-Be:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This writer is funny!Von Ein KundeA friend of mine told me about Cara Colter's writing, and recommended I take a break from the more "adult" romantic fare I generally choose, ie Superromance, Harlequin American. Well, I'm very glad I

took my friend's advice and gave Ms. Colter a chance. First off, she can really write! She's funny and warm and very articulate. The hero's a (sensitive)hunk, the heroine's cute, lively and independent, and the writer's insight into and deft handling of small children in this book is nothing short of wonderful. I wouldn't want a steady diet of these so-called sweet romances, but will definitely be looking for this writer in the future, as well as searching the used bookstores for copies of the numerous books she wrote for Harlequin under the name Quinn Wilder.

KurzbeschreibungFIRST COMES BABYShayla Morrison's mission was to unite a rambunctious baby boy with the rugged cowboy who was his closest kin. But one look at long, tall Turner MacLeod and Shayla decided to stick around. After all, what did a rough-and-tough rancher know about babies? Then again, what did a sensible woman like Shayla know about sharing close quarters with a mysterious Montana man?THEN COMES MARRIAGE?Shayla should have hightailed it back to her ho-hum life. Then the sound of a child's laughterand the sparkle in the cowboy's eyeshad her whistling the wedding march. But could she turn the brooding bachelor into a forever husband?KurzbeschreibungFIRST COMES BABYShayla Morrison's mission was to unite a rambunctious baby boy with the rugged cowboy who was his closest kin.
