Fantasy romanceVon Helen HancoxThe five previous books in the Immortals series have focused on five immortal brothers. This sixth instalment takes one of the side characters from the previous stories and focuses on him. Manannn mac Lir is half god, half sidhe, and is pretty bored with his immortal life. That is, until he meets the improbably-named Artemis Black, a very unusual witch who has been stealing life essence from various magical villages.Artemis is on a

mission, one she can't reveal to Mac. But Mac just can't leave her alone, knowing that she's in trouble. As Mac and Artemis travel to the depths of the dark world they have to learn about trust, resourcefulness and immortality. This book was rather patchy with some exciting parts and some dull parts. Mac is supposedly British but the dialogue was very awkward with him using English slang ('bloke', calling people 'love') but not always correctly. The 'love' part was completely overdone as well. Mac and Artemis continually escape from almost certain death which got rather repetitive and I didn't feel convinced by their romance. This book is probably one to miss. Kurzbeschreibung For centuries they have walked among us--vampires, shape-shifters, the Celtic Sidhe, demons, and other magical beings. Their battle to reign supreme is constant, but one force holds them in check, a race of powerful warriors known as the IMMORTALS. For Manannan mac Lir, a musician and Celtic demigod, life had become a blur of post-gig parties, expensive whisky, and cheap sex. And then the baby almost died--a baby he had sworn to protect. On the hunt for the would-be killer, Mac finds Artemis Black, a stunningly dangerous woman who's inexplicably able to intertwine life magic with death magic. For the safety of his people, he should destroy her. But the aching vulnerability in her eyes calls to him. And the raw desire she inspires has nothing to do with a spell. Their love may be forbidden, but Mac and Artemis can't go back once they've made...THE CROSSING Kurzbeschreibung For centuries they have walked among us--vampires, shape-shifters, the Celtic Sidhe, demons, and other magical beings.
