KurzbeschreibungThere were only two real witches in Salem during the trials and they left before they were discovered. Together, they founded the town of Featherville to house the refugees from the trials. Unexpectedly, a family of magic Kitsune took refuge there with the sisters. After learning the tragic story of the Kitsune's mother at the hands of witch hunters, one of the sisters grows bitter. She decides to exert dominion over the humans through magic. This is a clear violation of the strict rules of magic. After killing several people, including the father of the Kitsune, the evil sister has to be sealed into the forest. However, the seal is not permanent. Three centuries later, the Henderson family buys the evil sisters old home and turns it into a bed and breakfast. The son falls for an interesting girl he meets. Little does he realize she is a 300 year old cursed Kitsune waiting to get revenge.
