**Von Dorothy Koomson : The Cupid Effect (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cupid Effect (English Edition):

Kurzbeschreibung Ceri D'Altroy's hero-worship of Oprah Winfrey is beginning to have serious repercussions. Bored with London life and writing yet another 'black is the new black' fashion feature, she's decided to take Oprah's advice and follow her heart's desire. Going back to college might not be everyone's dream but all Ceri's has ever wanted to do is teach...But though her professional life seems to be sorted, Ceri's personal life is still a no-go area. After six long, long, months without so much as a snog, she's given up hope of ever finding anyone who'll put up with her various idiosyncrasies. In fact just lately, her pent-up energies and frustrations seem to have been diverted into solving other people's romantic problems. Since arriving in Leeds she's reunited a happily uncoupled couple, encouraged her new flatmate to do something about his unrequited love and outed the closet relationship of two of her new colleagues. All this, in spite of her new life resolution to mind her own business. But is Ceri destined to always play Cupid? Or can she use some of her powers where they're needed most - to help herself? A delicious romantic comedy about love, life and good intentions...Pressestimmen A delicious romantic comedy about love, life and good intentions - although her professional life seems to be sorted, Ceri's personal life is still a no-go area.
