Einmal mehr ein Liebesroman der MittelklasseVon LaberLili"The Daddy Pact" stellt zwar den Auftakt einer Serie dar, lsst sich aber hervorragend als alleinstehender Roman lesen: "Coach's Boys" dreht sich offensichtlich um die Mitglieder einer Mnner-Clique, wobei die entsprechenden Freunde des Protagonisten Dan hier nun auch nicht stndig durch die

Seiten liefern und es fr mich aus der Geschichte heraus auch gar nicht ersichtlich wurde, dass es sich hierbei um einen Serienteil handelt(e). Von daher lsst sich zumindest "The Daddy Pact" sehr gut fr sich lesen, die Handlung ist auch in sich geschlossen. Allerdings riss mich der Inhalt nun nicht zu Jubelstrmen hin: leicht verdauliche und leicht verstndliche Lesekost, ein eher typischer Liebesroman mit einer eindeutigen Tendenz zum Schnulzigen. Besonders glaubwrdig empfand ich die Handlung nun allerdings nicht und ich htte sie mir auch weitaus emotionaler und vor Allem dramatischer vorgestellt: Denn abgesehen davon, dass, wie die Kurzbeschreibung bereits verrt, sich Dan Mulholland aufmacht, die schwangere Witwe des von Dans Bruder in der Flitterzeit ermordeten Frank zu heiraten und das Kind zu adoptieren, um es dem Zugriff von Franks raffgierigem Vater zu entziehen, passiert hier wirklich eigentlich gar nichts. Der Schwiegervater wird dramatisch in die Geschichte eingefhrt als sei er Rumpelstilzchen, aber die drohende Gefahr verpufft quasi noch ehe sie wirklich entstanden ist. "The Daddy Pact" konzentriert sich da doch hauptsächlich auf die (positiven) Gefhle, die sich -natrlich!- zwischen Jess und Dan zu entwickeln beginnen; die ganze Geschichte ist vllig vorhersehbar, aber sie ist eben auch recht nett geschrieben, obschon es sich hierbei um keinen Roman handelt, der sich auf ewig in mein Gedchtnis eingegraben hat. In meinen Augen ein typischer Fall von: Kann man lesen, muss man aber nicht. Ich bereue nicht, einen Teil meiner Zeit mit dem Lesen des Romans verbracht zu haben, wenn er in mir nun auch kein allzu groes Interesse an den anderen Bnden der Reihe oder allgemein weiteren Werken der Autorin wecken konnte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. nice little romance Von Hoener, Birgit A nice little romance story which I actually liked better than its sequel "A Hero for Holly". Although the characters acted very unlikely (even for fiction), they were still more "believable". Language and narration style also seemed more fluid and enjoyable. Short summary: Widow of a murder victim marries the brother of the murderer in order to save the baby she's expecting from her evil father-in-law. Yes, very unlikely story, but the author did manage to make you forget that a bit while reading. All in all, quite an enjoyable romance. After having read parts 1 and 2 now, I am hooked enough to want to know what happens to their friends, and how they find their happiness.

Kurzbeschreibung A murdered groom. An unexpected baby. A vengeful father. Can the killers brother save the day? Raised in foster homes, when Jess Bentley promised, til death do us part, she envisioned many happy decades building a family with Frank. But a desperate drug addict in a dark parking lot ended those dreams before the honeymoon was over. Convinced the empty place in her heart will never heal, shes ready to give up until she discovers their brief marriage resulted in a surprise pregnancy. All Dan Mulholland wants following his brothers arrest is to relieve the guilt thats tearing him up inside. He is determined to help the widowed bride in any way he can, especially when he learns shes carrying her dead husbands child and her wealthy father-in-law intends to take the baby. First in the Coachs Boys series, The Daddy Pact is a sweet, poignant romance about love lost and new, unexpected beginnings. Its a heartwarming story of selflessness in the face of tragedy, friendships, and laughter with a little mystery thrown in for good measure. James' first goal in life was to work in law enforcement, until the night she called the police to check out a scary noise in her yard. Realizing that she might someday have to investigate scary noises in yards just as dark as hers if she continued on that path, she turned to her other favorite love... writing. Since then her days have been filled with being a mom and reluctant zookeeper (7 pets), creating stories, and looking for trouble in her kitchen.
