Von Andrea Camilleri : The Dance Of The Seagull (The Inspector Montalbano Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dance Of The Seagull (The Inspector Montalbano Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spitze!Von robeMontalbano ist wieder in seinem Element. Warte schon auf die nchste englische Ausgabe - die englischen bersetzungen erscheinen fr meinen Geschmack zu langsam.0 von 0 Kunden fanden die folgende Rezension

hilfreich. MariaVon ARONET MARIAAs all the Camilleri books, full of humor and good taste. I just have the feeling that I'm reading faster as Camilleri's writing.

KurzbeschreibungThe Dance of the Seagull is the fifteenth darkly humorous adventure starring Inspector Montalbano from bestselling author Andrea Camilleri. New edition cover with original Jeff Fisher illustration Inspector Montalbano is awake at dawn, sitting on his porch, when his attention is caught by a seagull which falls from the sky, performing a strange dance, before lying down to die. Montalbano is perplexed by what he has witnessed and the scene hangs over him like an omen. About to depart for a holiday with his girlfriend Livia, Montalbano makes a quick trip to the police station to tie up loose ends. But when his dear colleague Fazio is discovered missing - and it transpires that the policeman has been involved in his own secret investigations - Montalbano instead launches a desperate search for his lost friend, as time begins to run out . . . Navigating a shadowy maze of smuggling, blackmail and the darkest murder, and moving from the docks of Vigta to its deep, dry wells where the mafia hide their terrible crimes, Inspector Montalbano must have his wits about him to unravel this tangled mystery. The Dance of the Seagull is followed by the sixteenth Inspector Montalbano novel, The Treasure Hunt. Pressestimmen Praise for The Dance of the Seagull Montalbano's 15th case features more hilarious bark and some satisfying bite. Kirkus s Fifteen books into his Inspector Salvo Montalbano series, Andrea Camilleri manages both to offer readers the pleasures they've come to expect, and to vary the ingredients and add enough emotional depth to keep the series from growing tired an increasingly empathetic touch makes the Montalbano books one of the rare long-running crime series that grow stronger with time, and almost certainly the most affecting. Philadelphia Inquirer Praise for Andrea Camilleri and the Montalbano Series There's a deliciously playful quality to the mysteries Andrea Camilleri writes about a lusty Sicilian police detective named Salvo Montalbano. The New York Times Book The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily. Donna Leon Hailing from the land of Umberto Eco and La Cosa Nostra, Montalbano can discuss a pointy-headed book like Western Attitudes Towards Death as unflinchingly as he can pore over crime-scene snuff photos. He throws together an extemporaneous lunch as gracefully as he dodges advances from attractive women. Los Angeles Times In Sicily, where people do things as they please, Inspector Montalbano is a bona fide folk hero. The New York Times Book Camilleri as crafty and charming a writer as his protagonist is an investigator. The Washington Post Montalbano is a delightful creation, an honest man on Sicily's mean streets. USA Today Camilleri can do a character's whole backstory in half a paragraph. The New Yorker The books are full of sharp, precise characterizations and with subplots that make Montalbano endearingly human Like the antipasti that Montalbano contentedly consumes, the stories are light and easily consumed, leaving one eager for the next course. New York Journal of Books This series is distinguished by Camilleri's remarkable feel for tragicomedy, expertly mixing light and dark in the course of producing novels that are both comforting and disturbing. Booklist Sublime and darkly humorous Camilleri balances his hero's personal and professional challenges perfectly and leaves the reader eager for more. starred Publishers Weekly the humor and humanity of Montalbano make him an equally winning lead character. Publishers Weekly Werbetext The inimitable Inspector Montalbano returns for his fifteenth mystery
