Von Julia London : The Dangers of Deceiving a Viscount (Desperate Debutantes) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dangers of Deceiving a Viscount (Desperate Debutantes):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. terrific

historical romance Von lover of romance books Ms. London is a very gifted writer and the depth of her talents are on display in the finale to the Desperate Debutantes series and London delivers an extremely witty, but poignant story of a woman who wants to be more than she is in an oppressive society. Lady Phoebe Fairchild dreams of being a dressmaker but knows that she'll have to assume a different identity in order to achieve her goal. When Viscount Summerfield learns of her deception, he wastes no time in blackmailing her to into designing gowns for his untamed sisters or risk exposure. Lady Phoebe is refreshingly confident in her capabilities and the interaction between she and our hero, William Darby, is fresh and believable. Their journey to their own Happily Ever After should not be missed. Well done Ms. London! I'd also recommend reading Tino Georgiou's bestselling novel--The Fates--if you missed it!

0 Kunden fanden die folgende Rezension hilfreich. Great regency romance story Von margie24 This is not the first book of the "Desperate Debutantes" series, but the first book I read from the author. And I liked the book and the plot quite a lot. William Darby and Phoebe Fairchild are very likeable characters and the plot is very well developed. The reader can follow the development of their relationship with all ups and downs quite well and the reaction of the characters are reasonable and not "off the chart", as in a lot of other books in this genre. This is a light and pleasurable read which I can only recommend.

Kurzbeschreibung Lady Phoebe Fairchild is well aware that the ton would be appalled to learn of a young lady of quality involved in a trade. Therefore, she resorts to selling her beautiful handmade gowns under a fictitious name: Madame Dupree. So when circumstances force her to visit the estate of William Darby, the Viscount of Summerfield, to design ball gowns for his sisters, she assumes Madame's identity. Phoebe's discomfort in her new position as hired help is nothing compared to her visceral attraction to the viscount himself. Heavens! Handsome and shamelessly seductive, Will invites her to be his mistress -- and Phoebe is shockingly tempted to accept. But as their desire for each other grows and the risk of exposure becomes even greater, Phoebe is in dire danger of losing her reputation, her livelihood -- and her chance of becoming the bride of the man whose passion has claimed her forever.

From Publishers Weekly Starred . With this singular, outstanding Regency romance, London concludes the Desperate Debutante series at the top of her game. Lady Phoebe Fairchild is a talented seamstress who sews dresses for an exclusive London Bond Street shop, but knows that if her job is revealed, it will expose her family's financial woes to the ton and ruin their reputation not to mention Phoebe's marriage prospects. Knowing this, her employer threatens to expose Phoebe if she refuses to travel to rural Bedfordshire to sew gowns at the home of William Darby, Viscount Summerfield. Phoebe reluctantly agrees, and posing as widowed dressmaker Madame Dupree, she travels to Summerfield's estate to create gowns for his wild, untamed sisters. Soon, Phoebe and Will are involved in an intense affair that's very likely doomed, as Will must wed a noblewoman which Phoebe is, but Madame Dupree is not. Should she reveal her deceit, making her a worthy bride for Summerfield? Or should she keep up the charade, lest he despise her for her duplicity? As London explores the intricate, authentic-feeling relationships blossoming among the players, her masterful ability to bring characters to life makes this romance entirely absorbing. (Nov.)
