Nicht richtig gut, nicht richtig schlechtVon CustomerUnter den Fortsetzungen, die ich bisher gelesen habe (und dazu geht auch die von PD James) ist dieses Werk zumindest OK. Sprachlich kann man sich fast in PP fühlen, auch wenn sich ab und an Wörter und Wendungen finden, die nicht so recht passen wollen - zum Beispiel, wenn Elizabeth zu Darcy sagt, der von ihm geschriebene Brief sei "a job well done" - und an einigen Stellen fallen die fast wörtlichen Bernahmen aus PP auf. Die Handlung plätschert so ein bisschen vor sich hin. Erst zum Schluss wird es dann interessant, wenn auch gerade hier die Entwicklung des Plots unwahrscheinlich ist: SPOILER: Dass Darcy Wickham glaubt, wenn dieser ihn mit einem gefälschten Liebesbrief von Elizabeth erpresst und dass Wickham diese zum Schluss entführt, scheint sehr weit hergeholt. Und sogar diese Entführung selbst ist dann vorbei, bevor sie richtig beginnt. Ich habe die ganze Zeit darauf gewartet, dass etwas Bewegendes passiert - und fühlte mich dann irgendwie enttäuscht.0 von 0 Kunden fanden die folgende Rezension hilfreich. und sie lebt weiterVon ukmumStil und Wortschatz als ob Jane Austen weiter leben würde.Ein bisschen zu viel Betonung auf Sex, was ich bei Jane Austen nicht so gemerkt habe, aber es tat kein Abbruch. Es hatte etwas gedauert, bis man zu den eigentlichen Höhepunkt der Geschichte kam und dies war dann etwas fad. Trotzdem freue ich mich auf weitere Exemplare im Stil Jane Austen.0 von 0 Kunden fanden die folgende Rezension hilfreich. The Darcys of PemberleyVon Ott ChristaEine ansante Fortsetzung der Bennet/Darcy- Geschichte. Ein bisschen Krimi- Action ist auch dabei - auch mit der Sprache bin ich gut klar gekommen, es war nicht zu kompliziert geschrieben. Kurz und gut, das Buch hat mir sehr gefallen,

KurzbeschreibungA sequel true to Jane Austens beloved masterpiece, Pride and Prejudice.Elizabeth and Mr. Darcy have been married for almost a year, and their heated arguments are a thing of the past. All that passion is now directed into more satisfying pursuits. But how long can the honeymoon last? The couples idyllic life together at Pemberley is jeopardized by secrets they begin keeping from each other, the troubles of their closest friends, and the threat of a villain in their midst. Layers of seemingly innocent deception are building between Darcy and Elizabeth, threatening their relationship. He is conducting some covert business dealings that hes unwilling to share with his wife, and she likewise begins keeping things from him against her own better judgment. The couple also becomes embroiled in the tribulations of Mr. Darcys younger sister, Georgiana, and his friend and cousin, Colonel Fitzwilliam. Fitzwilliam falls victim to their aunt, Lady Catherine de Bourgh, as the object of her latest scheme to make a noble match for her daughter. The arrangement satisfies the ambitions of the couples parents, but appears to hold little prospect of happiness for Anne and Fitzwilliam, who each harbor other romantic interests. During this same period, Georgiana runs the gamut of emotions as she comes of age. Her elation at her birthday ball soon crumbles when she learns the man she secretly admires is engaged to another. The excitement of a London season and the attention of two other eligible suitors cannot make her forget her disappointment over her lost first love.As the story progresses, the menacing shadow of Mr. Darcys life-long nemesis looms ever larger. By carelessness and design, Mr. Wickham and Lydia painfully intrude into the lives of the Darcys and the Bingleys, with disastrous results. The Darcys of Pemberley is the tale of two romances: the continuation of Darcy and Elizabeths story, and the courtship of Miss Georgiana. For those of us who didnt want Pride and Prejudice to end, this charming novel gives the opportunity to learn what happens after the wedding, to revisit all our old friends and foes, and to share the next chapter of their lives. Ms. Winslow carries on the saga much as Jane Austen herself might have true to her style, her sensibilities, and the delightful characters she created.KurzbeschreibungA sequel true to Jane Austens beloved masterpiece, Pride and Prejudice.Elizabeth and Mr. Darcy have been married for almost a year, and their heated arguments are a thing of the past.
