KurzbeschreibungA sexy stranger, a night of no holds barred passion, and a secret that changes everything...Dr. Katrina Winslow has always known who she is: an elite scientist, a certifiable genius and ultra-reserved when it comes to love and relationships. So when a simple game of truth or dare offers the cool doctor the opportunity to shed her lab coat and glasses and put on a pair of strappy stilettos, she accepts the dare. But will shedding her inhibitions for a sexy stranger fulfill her every desire and help her discover if she can be truly daring or will it cost her everything? Hot cop, Simon West, is on the hunt for a bad guy when he comes face to face with a fiery little scientist who may be the key to his investigation. Renown for his unorthodox investigative tactics, Captain West is more than happy to accept the Dr.s dare. Will the prim and proper scientist resist the bold, sexy cop? Or will she allow Simon to strip her bare and guide her closer and closer to what they both secretly desire?Tabkes edgy and delicious tales hold a top spot on y must-read list!- Sylvia DayNo one writes hot cops better than Karin Tabke!
