Von Alistair MacLean : The Dark Crusader before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dark Crusader:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Dark Crusader - with some lighter passagesVon CustomerDark Crusader - with some lighter passagesAnother great read! I

was worried that twenty years on from when I last read a Maclean, I was going to find it unreadable, but I swept through this. It has a fast, steady pace, and there are twists all the way. The usual revelation comes at the end, but before you get there, there are any number of characters who aren't what they seem to be. The style is so fresh that even if the theme has now become a little old hat, the story is well worth reading simply for its own sake and the way Maclean tells it. The characters come to life with force, and I love the odd humorous reflections that give a real tongue-in-cheek tone to many passages. A little over-heroic towards the end, I found, but still a damn good entertainment. I shall certainly go back to more Maclean on Kindle, as my book collection is dusty and pale... and I cannot change the font size either. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Spionageroman mit berraschendem Ausgang Von Customer Von Anfang bis Ende ein spannendes Lesevergnügen. Der wahre Bsewicht wird erst am Ende entlarvt. Buch kann nur empfohlen werden

Kurzbeschreibung A classic tale of espionage, secret missions and exotic locations which out-Bonds Bond, from the acclaimed master of action and suspense. Eight job advertisements. Eight jobs. Eight specialists in modern technology required. Eight scientists to fill them. Applicants to be married, with no children, and prepared to travel. Highly persuasive salaries. One criminal mastermind. Eight positions filled. Eight scientists - and their wives - disappear. Completely. One secret agent to stop him. Advertisement no. 9. Sydney, Australia. Fuel specialist required. Looks like a job for John Bentall Pressestimmen 'A fierce whodunit set on a rocket-proving island in the Pacific. Moves at jet pace' Oxford Mail 'As satisfying a saga of death, double-dealing and cloak-and-dagger work as I've read in a long time' Books and Bookmen 'A fierce whodunit set on a rocket-proving island in the Pacific.
