Von Tirza Schaefer : The Dark Duke (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dark Duke (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A modern kind of Austenesque! Von Elizabeth Bennett I am sure The Dark Duke was inspired by Jane Austen's "Pride and Prejudice" (my personal all-tiem favourite book in the world), as indeed have been many other books before this.

This can go either way, headed for complete disaster or work really well. This book, as all of Tirza Schaefer's, whether they be romantic or spiritual, belongs to the latter category. The cover alone makes you feel you're about to be given some highly-priced, gold-plated luxury candy and the storyline inside reveals that you hold a gem in your hands indeed. I love how Tirza paints a historical heroine with the courage and conviction of the modern day, yet at the same time not imprinting modern mentality on a person who has supposedly lived a couple of hundreds of years previously. Women were treated differently then and they had a completely different mindset than women do nowadays. What strikes me is this balance between modern free thought and historically accurate modes of behaviour and rules. Thus, Tirza's Lizzy is an outstanding character, a woman strong enough to fight for her happiness, yet sensitive enough to have all the fears a woman of her time would really have had about being cast out by her family if she disgraced them, etc. I'd say, this is my favourite of all of Schaefer's books, but I think that everytime I read one, really. And they are all special and unique. It never gets boring or predictable. From India to regency to US biker gangs and SpecOps Seals and Marines or a Bulgarian publisher, Tirza Schaefer has more great stories in one head than most other people put together. I know, I'm repeating myself, BUT... get it, read it, love it, work yourself into a sweat in more ways than one, from righteous indignation at the cruel inhumane set of historical society to really steamy over those scenes when Lizzy and The Dark Duke are alone together. - Woohooo!!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Dark Duke Von Kunde Brillat, historical, rebellious and steamy. The Dark Duke has it all. I couldn't put it down - an absolute must read! 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Dark Duke Von Kain After reading first the author's spiritual books, Poetry From The Heart and A Magical Family Holiday which I loved, I went on to read the first of her erotic publications Snake Goddess Rising which I loved so much that this is the second of her erotic books I've purchased. This book is very different from the first. It is a historical romance with an added dark erotic streak that threads throughout the work which is as atypical for the average historical romance book as it is liberating. In fact, the main female character is anything but the helpless little virgin bride that we are used to from more traditional works in this genre. The lady questions established social conventions, takes conscious decisions for her own course of action and is not merely a victim of the overriding, worldly charm of the male hero's charms which she falls prey to. As much as she is finding herself falling in love with the Dark Duke, Lizzy still finds a balance in her head between passion and thinking, surrender and making conscious choices. She is an empowered, strong woman without losing her femininity in the process. An absolutely charming read and full of sizzle and heat! I'm going to buy the next book now! I'm now definitely hooked on this author!

Kurzbeschreibung THE DARK DUKE by Tirza Schaefer Lizzy's younger cousin Caroline is about to marry Captain Garrisfield, the nephew and heir of the Duke of Cambridge. Lizzy is not so lucky. All the eligible young men of the ton are only fortune and title hunters. Moreover, they are not man enough to tempt her in any way. When she meets the duke more often due to the new family connection, she decides that he is the only man she will ever love, but she also knows that this will remain an unfulfilled longing for the rest of her life. After she is unsuccessful at trying to find a way to convince the duke that she is worth the risk of revealing his secrets to and confiding in, she turns to her cousin for solace. Much is at stake and Lizzy's family threatens to disown her. Will she have to marry her cousin's tyrant neighbour after all?
