Kurzbeschreibung Is it about the man or the manor? Its love at first sight for Lady Harriet Hamilton love with Thomas Ansons ancestral home, that is. Thomass father, the Earl of Lichfield, has gambled away the familys honor, and now its cost them everything at Shugborough Hall. The estate sale is shameful enough for Thomas without some little brat sneaking around his property, but vivacious Harry has caught him sneaking around as well When they meet again years later, neither Harry nor Viscount Anson has forgotten their encounter. While Thomas has grown into the exact opposite of his reprobate father, Harry is outspoken, audacious, and now, Thomas must admit, quite a beauty. But hes committed to restoring the family holdings, not chasing after a wife. If only she wasnt hurling herself against his principles and having such a good time doing it
