Von James Herbert : The Dark (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dark (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A CHILLER THRILLER... Von lawyer aau This British author is immensely popular for his horror fiction. Having read a number of his other books and enjoyed them, I delved into this one with much anticipation. I was not disappointed, as it is similar thematically to another of his books, "The Fog", which is one of his best books. While in that book, a fog

sweeps across the United Kingdom, causing those it touches to commit insane acts of mayhem, here, a dark entity, best described as infinite blackness, does the same. Initially confined to Beechwood, a mansion on Willow Road and the site of mass murder and suicides, it feeds on those whom it touches and causes them to perpetrate acts of horrific violence, releasing man's most primal fears and instincts. When Beechwood is demolished, this darkness ventures out beyond the parameters of the house, causing those with whom it come into contact to act out their basest instincts and destroy those who remain unaffected. This novel engages the reader, as the protagonists in the book try to sort things out and defeat this evil entity. Well-written and interesting, devotees of the horror genre, as well as fans of the author, will enjoy this book.

Kurzbeschreibung It came like a malignant shadow with seductive promises of power. And somewhere in the night . . . a small girl smiled as her mother burned . . . Asylum inmates slaughtered their attendants . . . in slimy tunnels once-human creatures gathered. In James Herbert's *The Dark*, madness rages as the lights begin to fade and humanity is attacked by an ancient, unstoppable evil . . . Pressestimmen Devil of a chiller (Daily Express) Werbetext 'Devil of a chiller' Daily Express
